**RESPONDENT'S REPLY TO COMPLAINANT'S RESPONSE TO NOTICE OF  
CONTINUED PRODUCTION**

Respondent Top Shipping Systems Corp. ("TSS"), appearing pro se, respectfully submits this Reply.

Respondent respectfully disagrees with Complainant's characterization of its production as a document dump. Given the time constraints of the approaching May 22, 2026 discovery cutoff and TSS's current staffing limitations, TSS is producing all available documents in good faith.

Upon further review of Complainant's specific concerns, TSS has provided to Complainant's counsel via separate correspondence third-party communications regarding the two subject shipments CSHU4047424 and BSIU8431017 that are Bates stamped, produced in good faith to the best of TSS's ability.

TSS continues to actively seek replacement counsel and remains committed to responding in good faith and maintaining full compliance with the April 1, 2026 Order.

Respectfully submitted,
