

FEDERAL MARITIME COMMISSION
Office of Administrative Law Judges

FORMUKLEEN, INC., *Complainant*

v.

TOP SHIPPING SYSTEMS, CORP., *Respondent*.

DOCKET NO. 25-08

Served: July 10, 2026

ORDER OF: Richard AMBROW, *Administrative Law Judge*.

**ORDER REDUCING TIME TO RESPOND TO COMPLAINANT’S MOTION TO EXTEND DISCOVERY
AND REMAINING DEADLINES**

On July 9, 2026, Complainant filed Complainant’s Motion to Extend Discovery and Remaining Deadlines (“July 9 MTE”).

By way of background, on June 12, 2026, I issued an Order Extending Deadlines, which established the following deadlines.

June 19, 2026	Deadline for submission of additional discovery requests
June 25, 2026	Depositions, if any, begin
July 9, 2026	Close of discovery/completion of depositions
July 15, 2026	Deadline for Complainant to amend Renewed Motion, if amended
July 22, 2026	Deadline for Respondent’s response to Renewed Motion, if amended
August 25, 2026	Complainant’s Opening Brief, Proposed Findings of Fact, and Appendix
September 10, 2026	Respondent’s Opposition Brief, Responses to Proposed Findings of Fact, Proposed Findings of Fact, and Appendix
September 22, 2026	Complainant’s Reply Brief and Responses to Proposed Findings of Fact

In the July 9 MTE, Complainant asks to revive the deadline for submission of additional discovery requests, and to extend the remaining deadlines. Complainant asserts that this motion is necessary because of Respondent’s failure to cooperate with discovery. (July 9 MTE, at 1-3). Complainant indicates that it conferred with Respondent, but Respondent opposed this motion. (July 9 MTE, at 3-7).

Typically, a party has seven days to respond to a non-dispositive motion. (46 C.F.R. § 502.71(b)). I have authority, however, to fix the time for filing motions and to regulate the proceeding. (*See generally* 46 C.F.R. § 502.25(b)).

Given the time-sensitive nature of the July 9 MTE, and the discrete, straightforward issue involved (whether deadlines should be extended), I **HEREBY ORDER THAT** Respondent is to respond to the July 9 MTE **no later than 5:00 pm EDT on Monday, July 13, 2026.**
