

Before the
FEDERAL MARITIME COMMISSION
Washington, D.C. 20573
Docket No. 25-09
QVC, INC. AND CORNERSTONE BRANDS, INC.
v.
OCEAN NETWORK EXPRESS PTE. LTD.

JOINT STATUS REPORT

Pursuant to 46 C.F.R. § 502.141(h), Complainants QVC, Inc. and Cornerstone Brands, Inc. (collectively “QVC” or “Complainants”) and Respondent Ocean Network Express Pte. Ltd. (“ONE” or “Respondent”) (QVC collectively with ONE, the “Parties”), by their respective undersigned counsel, have conferred and submit this joint status report and proposed discovery schedule:

The Parties have already exchanged the initial disclosures required by 46 C.F.R. § 502.141(b). The Parties do not currently anticipate needing depositions or interrogatories in this case in excess of the amounts contemplated by 46 C.F.R. §§ 502.143 (i.e., no more than 20 depositions) and 502.145 (i.e., no more than 50 written interrogatories), respectively. Consistent with the Presiding Officer’s June 23, 2025 Initial Order in this case, the Parties intend to meet and confer concerning a stipulation and proposed order regarding treatment of confidential documents and information exchanged and used in this case. Pursuant to 46 C.F.R. § 502.64(a), the Parties also held a preliminary conference with the Commission’s Office of Consumer Affairs and Dispute Resolution Services (“CADRS”) via a videoconference as follows:

- Respondent on August 26 2025; and

- Complainants on August 27, 2025.

The Parties propose the below schedule, which provides for a discovery schedule in excess of 150 days. The parties are mindful of the 150-day time period set by 46 C.F.R. § 502.141(g); however, the parties anticipate that documentary discovery in this proceeding will be extensive, complicated, and challenging. Among other things, there may be a significant number of depositions, possibly some involving overseas deponents, subpoenas for third-party witnesses here and abroad, and potentially issues regarding foreign discovery statutes. The Commission's regulations requiring that discovery be completed within 150 days of the service of a respondent's answer may be a reasonable time in a relatively straightforward case; however, it is not realistic for a case of this magnitude in which documentary discovery will involve a significant number of documents, depositions of as many as ten witnesses per party, international discovery, and alleged damages of at least \$21.7 million.

The parties acknowledge that prompt resolution of claims and disputes arising under the statutes administered by the Commission is a laudable goal, one which the deadlines for issuance of initial and final decisions are intended to achieve, and that scheduling orders are an important part of this process. However, the parties wish to emphasize that it is not unusual for the deadlines for completion of discovery and/or for the issuance of initial and final decisions to be extended by administrative law judges and the Commission. The same rationale should apply at this initial stage, when a discovery schedule is being established.

There are also policy considerations which favor allowing sufficient time for a full development of the evidentiary record before an agency. *Hudson Shipping (Hong Kong) Ltd. d/b/a Hudson Express Lines – Possible Violations of Section 10(a)(1) of the Shipping Act of 1984*, 29 S.R.R. 1376, 1377 (ALJ 2002) (policy and responsibility of Commission and, by delegation of authority, presiding judge, to inquire into and consider all relevant facts; of even greater

importance than the concept of fairness between the parties, as they maneuver to develop a record which fits their positions, is the need to ensure that justice is served and all relevant facts are considered by the Commission).

The parties believe that good cause has been demonstrated to modify the 150-day deadline provided for under 46 C.F.R. §502.141(g) and accordingly propose the following schedule:

Event	Proposed Deadline
Parties to serve initial requests for production (“RFPs”) of documents and electronically stored information (“ESI”) and interrogatories	9/12/2025
Parties to serve objections and initial responses to initial RFPs	10/14/2025
