JOINT MOTION FOR EXTENSION OF TIME

Respondent Ocean Network Express PTE. LTD. (“ONE”), by counsel, and Complainant Euromarket Designs, Inc. (“EDI”) (together “the Parties”) hereby jointly move for entry of an Order allowing additional time within which ONE may file certain motions and responsive pleadings herein. ONE’s responsive pleadings are currently due not later than Monday February 3, 2025. Respondent ONE requests, with Complainant EDI’s consent, that the time within which ONE may file its responsive pleadings be extended to February 17, 2025.

ONE intends to file a motion to sever on or before February 3, 2025. ONE may also seek a more definite statement in this case. In the event ONE is granted relief in whole or in part, the Parties would thereafter file responsive pleadings according to the rules and further Order of the Presiding Officer. NBG consents to the extension of time for ONE to file responsive pleadings to allow the filing ONE’s motion to sever, but does not consent to an enlargement of time under the rules for a motion for more definite statement.

Allowing this brief extension of time will promote efficiency for the Parties and the orderly administration of this case by allowing consideration of the severance issue at an early stage of the proceedings.

Good faith efforts were made by undersigned counsel for ONE to confer with counsel of record for the parties in advance of the filing of this motion via email on January 31, 2025, and again on February 1, 2025. No objection was received prior to the filing of this motion.

For the foregoing reasons, the moving Parties jointly move for an extension of the time within which ONE may file its responsive pleadings to February 17, 2025, or until such time as an Order is entered regarding the aforementioned motions.
