**RESPONDENT’S MOTION FOR ENLARGEMENT OF TIME TO FILE AN ANSWER
OR OTHERWISE MOVE**

Pursuant to Federal Maritime Commission Rule of Practice and Procedure 69, 46 C.F.R. § 502.69, Respondent COSCO Shipping Lines Co., Ltd. (“Respondent” or “COSCO”) hereby moves that the deadline for the filing of an answer or to otherwise move be extended from the current date of February 3, 2025, to February 13, 2025. Respondent’s Answer is being submitted herewith.

Although Notice of Filing of the Complaint in the above-captioned action (Dkt. 6) was served on January 8, 2025, undersigned counsel was not instructed in this matter until February 11, 2025, well after the deadline to Answer had passed. Respondent acknowledges that this Motion for Enlargement of Time is being filed less than seven days before the scheduled filing date as set forth in 46 C.F.R. § 502.102(a) (and indeed is being filed after the filing date has passed). Due to the time it took for COSCO to receive and route the Complaint internally, and for undersigned

counsel to be retained and review the file, Respondent contends that reasonable grounds exist for its failure to meet this requirement.

Respondent believes this extension of time is necessary to adequately respond to Euromarket Design, Inc.'s Complaint and to avoid any prejudicial effect to Respondent by the issuance of a default judgment.

In accordance with Commission Rule 71, 46 C.F.R. § 502.71, the undersigned did approach counsel for Euromarket Design, Inc. ("Complainant") on February 12, 2025 regarding this request. In response, Complainant advised the undersigned that a Motion for Default Judgment had already been filed.

Accordingly, good cause exists to grant the requested extension, and COSCO submits that this will not cause any undue delay or disadvantage.

Respondent COSCO therefore respectfully requests that an Order be issued permitting Respondent until February 13, 2025 to file its first responsive pleading in this proceeding.

Dated: February 13, 2025

Respectfully submitted,
