INTRODUCTION

Complainants Santa Fe Discount Cruise Parking, Inc. d/b/a EZ Cruise Parking (“EZ Cruise”); Lighthouse Parking, Inc. (“Lighthouse”); and Sylvia Robledo d/b/a 81st Dolphin Parking (“81st Dolphin”) (collectively “Complainants”), hereby submit their Complainants’ Amended Brief on Limited Reparations Issue on Remand pursuant to the Administrative Law Judge’s (“ALJ”) April 20, 2021 Order Requiring Joint Status Report (“ORJSR”), and as set forth in the parties’ Joint Status Report dated May 24, 2021.

I. LIMITED ISSUE OF REPARATIONS

On April 16, 2021, the Federal Maritime Commission (“FMC” or “Commission”) issued its Order on Initial Decision on Remand (“OIDR”) in this matter. Among other findings therein, the Commission determined that Complainants EZ Cruise and 81st Dolphin satisfied their burden of proving that Respondent The Board of Trustees of the Galveston Wharves (the “Board” or the singular “Respondent”) violated 46 U.S.C. § 41106(2), and that Complainants were injured by the two proven violations of the Shipping Act.¹ (OIDR at 14, 27, 33-34, 38-40). The Commission further found that Complainants are entitled to reparations resulting from Respondent’s violations of the Shipping Act for the period encompassing June 16, 2011 through July 31, 2014 (the “reparations period”). (OIDR at 38-40).

The Commission concluded the OIDR by remanding this case to the ALJ for the limited purpose of determining “an appropriate reparations award for the period of June 16, 2011 through July 31, 2014 for EZ Cruise and 81st Dolphin.” (OIDR at 39). Finding that the record of this case

¹ As noted in the OIDR, Complainant Lighthouse did not join the Complainants’ appeal to the D.C. Circuit of the ALJ’s December 4, 2015 Initial Decision, and so that decision was final as to Lighthouse. (OIDR at 11-12, 37-38). As also recaptured in the OIDR, the ALJ dismissed Respondent Galveston Port Facilities Corporation in the November 16, 2018 Initial Decision on Remand, which was unchallenged by the parties. (OIDR at 14).

has information identifying the Access Fees² paid by EZ Cruise and 81st Dolphin for all months of the reparations period except for July 2014, the Commission ordered that on remand, EZ Cruise and 81st Dolphin would have the opportunity to prove the amount of such payments made during that month. (OIDR at 39-40). Complainants herein identify that the record does contain information identifying the Access Fees paid by EZ Cruise and 81st Dolphin for all months of the reparations period, including July 2014. *See* (Comp. App. 011; Resp. App. 001519 – 001569 (Tabs 027-029); Comp. App. 005 – 008).

II. REPARATIONS DUE

As ordered by the Commission and the ALJ, this Amended Brief (and response and replies hereto, if any) is limited to the issue of reparations due to Complainants for violations of the Shipping Act by Respondent occurring from June 16, 2011 through July 31, 2014. (OIDR at 38-40; ORJSR). Within this topical and temporal constraint, and to assist the determination of reparations, the ALJ provided the parties the option to conduct additional discovery, if necessary, to determine the access fees paid by EZ Cruise and 81st Dolphin during the month of July 2014. (ORJSR at 1-2). However, following conference, the parties determined that no additional discovery was necessary because “[d]ocuments have already been produced that allow the parties to calculate Access Fees paid by Complainants EZ Cruise and 81st Dolphin” for the entirety of the reparations period. (Joint Status Report, 24 May 2021, at 1-2).

² “Access Fees” refer to the charges to be paid by ground transportation companies for access to the Cruise Terminal, and are in addition to “Port Use Permit” fees and “Decal Fees.” *See* (Comp. App. 021 and 024). During the relevant time period, Complainants’ were charged Access Fees based upon the number of parking spaces maintained in their parking lots, while other ground transportation companies who were charged Access Fees, were charged per trip/access to the Cruise Terminal. *See* (Comp. App. 021 and 024).

In this case, there are two violations of 46 U.S.C. § 41106(2) at issue. The first arises under the terms of the Tariff itself,³ whereby Respondent charged Complainants monthly Access Fees while certain limousines were preferentially exempted from being charged Access Fees. *See* (OIDR at 13-14, 22-27). The second violation arises through Respondent's disparate treatment between Complainants and limousines, whereby Respondent consistently charged Complainants Access Fees pursuant to the Tariff, but failed to enforce the Tariff's Access Fees against certain limousines. *See* (OIDR at 13-14, 32-34).

The FMC has established precedent for the determination of reparations in circumstances such as this. In *Ceres II* it was held that "where a party has breached a duty to apply its criteria for granting lower rates in a fair and evenhanded manner," the proper measure of damages is "the difference between the rate that was charged and collected, and the rate that would have been charged but for the undue preference and prejudice." *Ceres Marine Terminals, Inc. v. Maryland Port Admin.*, 29 S.R.R. 356, 374 (FMC 2001) (*Ceres II*). In the case at hand, the "rate that was charged and collected" is that which Complainants paid in Access Fees for access to Respondent's cruise terminal ("Cruise Terminal") during the defined reparations period. For 81st Dolphin, that amount totals \$17,776.00 (Comp. App. 011; Resp. App. 001519 – 001569 (Tabs 027-029); *see also* Comp. App. 005 – 008; Exhibit A and Exhibit B); and for EZ Cruise that amount totals \$105,624.00 (Exhibit C; Comp. App. 005 – 008).⁴ The "rate that would have been charged but for the undue preference and prejudice" is the amount charged to (1) the limousines that were exempted from Access Fees under the Tariff; and (2) the limousines that were allowed access to the Cruise Terminal without being charged the Access Fees prescribed by the Tariff. Each of those

³ The "Tariff" at issue refers to the Board of Trustees Of The Galveston Wharves Tariff Circular No. 6, as issued by Respondents. The revision numbers relevant to this matter are the 5th and 7th Revisions. *See* (Comp. App. 021 and 024).

⁴ Highlighted copies of the relevant pages are attached hereto as Exhibits A, B, and C for the convenience of the ALJ.

amounts being zero (\$0.00) dollars, the difference between the “rate that would have been charged but for the undue preference and prejudice” and the “rate that was charged and collected” is \$17,776.00 for 81st Dolphin, and \$105,624.00 for EZ Cruise — the total amount paid in Access Fees by 81st Dolphin and EZ Cruise during the reparations period.

In the Initial Decision on Remand (“IDR”), the ALJ agreed with the *Ceres II* precedent, determining that the proper measure of damages for a violation of 46 U.S.C. § 41106(2) arising from Access Fees being charged to Complainants for access to the Cruise Terminal but not to limousines, would be “the difference between the amount charged Complainants and the amount charged [to] limousines – zero.” (IDR at 66). As recognized and confirmed by the Commission in the OADR, this finding by the ALJ in conformity with *Ceres II* was not objected to by Respondent. (OADR at 39).

Accordingly, arising from Respondent’s violations of 46 U.S.C. § 41106(2), the reparations due to 81st Dolphin total \$17,776.00; and reparations due to EZ Cruise total \$105,624.00.

III. MATTERS AT THE ALJ’S OPTION

The Commission also provided the ALJ the option to “consider whether and how to pro-rate June 2011 and the extent to which decal fees affect the reparation calculation.” (OADR at 40).

(1) PRO-RATING JUNE 2011

Regarding the issue of pro-rating reparations associated with the Access Fees paid by 81st Dolphin and EZ Cruise for access to the Cruise Terminal in June 2011, the ALJ is aware that such Access Fees were allocated based on the number of parking spaces maintained in 81st Dolphin’s and EZ Cruise’s cruise parking lots. See (OADR at 4-7) (citing IDRFF⁵ 40, 50-52).

⁵ “IDRFF” refers to the Findings of Fact from the IDR, which are found on pages 20 through 35 of the IDR.

For June 2011 Access Fees, 81st Dolphin was invoiced and paid an amount equal to \$8 per parking space, which at that time totaled \$400.00 for the month of June 2011. (Comp. App. 011 at 000220 (BOT_015734), 000234 (BOT_015748)). As identified by the Commission, the reparations period begins on June 16, 2011—encompassing exactly half of that month. (OIDR at 39). Accordingly, should the ALJ determine to pro-rate reparations for the month of June 2011, the pro-rated amount would be half of the \$400.00 total paid by 81st Dolphin; thus reducing the reparations due to 81st Dolphin by \$200.00, leaving \$17,576.00 as the total due.

For June 2011 Access Fees, EZ Cruise was invoiced and paid an amount equal to \$8 per parking space, which at that time totaled \$1,760.00 for the month of June 2011. (Comp. App. 009 at 000100 (BOT_016147); Exhibit C at BOT_016080). As identified by the Commission, the reparations period begins on June 16, 2011—encompassing exactly half of that month. (OIDR at 39). Accordingly, should the ALJ determine to pro-rate reparations for the month of June 2011, the pro-rated amount would be half of the \$1,760.00 total paid by EZ Cruise; thus reducing the reparations due to EZ Cruise by \$880.00, leaving \$104,744.00 as the total due.

(2) NO EFFECT OF DECAL FEES ON REPARATIONS

The Tariff in effect from June 16, 2011 (the commencement of the reparations period) through June 30, 2014 required Complainants and limousines accessing the Cruise Terminal to purchase annual decal fees for each vehicle accessing the Cruise Terminal at a cost of \$10.00 per vehicle per year. (IDRFF 50; Comp. App. 021 at 000444 – 045). Effective July 1, 2014, and through the conclusion of the reparations period, the Tariff established a variable cost for the annual decal fees as set forth in part below:

Type of Vehicle and Vehicle
Seating Capacity:

Decal and Access Charge:

Commercial Passenger Vehicle, Courtesy
Vehicle, Shuttle or Limousines with
Seating Capacity of fifteen (15) persons or more

\$25.00 per decal per vehicle annually and
\$22.86 per Access / Trip

Commercial Passenger Vehicle, Courtesy
Vehicle, Shuttle or Limousine with
Seating Capacity of less than fifteen
(15) persons

\$15.00 per decal per vehicle annually and
\$11.43 per Access / Trip

(IDRF 65-66; Comp. App. 024 at 000466 - 467).

Throughout all times relevant to the reparations period, Complainants paid to Respondent decal fees as required by the Tariff for each of Complainants' vehicles that accessed the Cruise Terminal. No allegation has been raised in this case suggesting the limousines that accessed the Cruise Terminal failed to purchase annual decal fees for each vehicle that accessed the Cruise Terminal. Because, as far as evidenced by the record, all Cruise Terminal users paid for decal fees as required by the Tariff, no additional reparations are known to be due to Complainants as a result of decal fees.

CONCLUSION

For the foregoing reasons, the reparations due 81st Dolphin total \$17,776.00, and reparations due EZ Cruise total \$105,624.00. Should the ALJ determine to pro-rate reparations arising from June 2011, such pro-rated amount would reduce the reparations due to 81st Dolphin by \$200.00, leaving \$17,576.00 as the total due to 81st Dolphin; and would reduce the reparations due to EZ Cruise by \$880.00, leaving \$104,744.00 as the total due to EZ Cruise.
