Docket No. 14-10

ECONOCARIBE CONSOLIDATORS, INC, v. AMOY INT'L, LLC.

COMPLAINT

1. Complainant Econocaribe Consolidators, Inc. ("Econocaribe") does business as an Ocean Transportation Intermediary, with its principal place of business at 2401 NW 69 Street, Miami, FL 33147. It maintains a branch office at 637 E. Albertoni St., Suite 104, Carson, CA 90746, United States.
2. Respondent Amoy international, LLC. ("Amoy") does business as an Ocean Transportation Intermediary under Federal Maritime Commission license number 019113N, bond number 8941895, with its place of business at 14145 Proctor Avenue Suite 14, City of Industry, CA 91746, United States.
3. On May 20, 2013 Amoy contracted with Econocaribe for the shipment of 4 containers allegedly containing 100 packages of "Auto Parts (New)" from Oakland, CA to Xingang, China. *See* Exhibit "A", Amoy Booking Request & Econocaribe Booking Confirmation.
4. Econocaribe in turn contracted with Maersk Line ("Maersk") for the shipment via the vessel "CMA CGM VIVALDI," and in accordance with Amoy's instructions made Victory Maritime Service ("Victory China") at destination the consignee. *See* Exhibit "B", Amoy Instructions. Maersk took possession of the containers along with other related paperwork on or about May 29, 2013 for purposes of shipment to China. *See* Exhibit "C", Maersk Bill of Lading.
5. The arrival date was June 17, 2013. On or about that date Chinese Customs opened the containers for inspection, and found that the contents were in fact goods prohibited entry

into China, i.e. baled used truck tires. It seized the four containers from Maersk Line, the importing carrier, and Maersk's notification of this fact then went to Econocaribe and Amoy.

6. On July 9, 2013 Maersk informed Econocaribe that the consignee Victory China denied interest in the cargo, and that Amoy needed to nominate another shipper for the return bill of lading. Econocaribe immediately forwarded this information to Amoy.
7. Amoy has never nominated either a shipper or consignee for the return of the cargo, leaving Econocaribe unable to repatriate the cargo.
8. Amoy has steadfastly refused to provide payment for the costs incurred in China, leaving Econocaribe at risk of significant financial loss without any justification.
9. Amoy, as a common carrier, willfully, intentionally, and knowingly misdeclared the cargo as new auto parts when in fact it was used baled truck tires, said misdeclaration causing it to be detained by Chinese Customs. False manifestation of cargo on a bill of lading and transportation of goods under tariff misclassification is a violation 46 U.S.C. §41104(2)(A), 46 U.S.C. §41102(c) and 46 C.F.R. §515.31(e), and of the Shipping Act of 1984 as amended, sections 10 (a)(1), (b)(1), (b)(2)(A) & (B)
10. Econocaribe seeks reparations pursuant to 46 U.S.C. § 41305 for its actual injury, interest, and attorneys fees.
11. Amoy and its legal counsel have been non-responsive to inquiries by Econocaribe and its legal counsel, in violation of 46 CFR 41102(c). See Rule 62(e). As a result, informal dispute resolution procedures were not used prior to the filing of this Complaint, and no consultation was made with any Commission Dispute Resolution Specialist regarding the same.
12. Econocaribe has been damaged in the sum of approximately \$192,811.00, plus attorneys' fees and interest.
13. Econocaribe prays that Amoy be required to answer the charges herein; that, after due hearing, an order be entered commanding Amoy to cease and desist from its violations of

the Shipping Act; and that Amoy be ordered to pay to Econocaribe reparations for the unlawful conduct described above in the sum of approximately \$192,811.00, with interest and attorneys fees to be specified hereafter, as provided for under 46 U.S.C. § 41305(b), and such other reparations that the Commission deems just and proper.

14. Econocaribe requests that a hearing in this matter be held in Miami, Florida, as provided in the Econocaribe Bill of Lading, or in the alternative in Washington, D.C.
