FEDERAL MARITIME COMMISSION

WASHINGTON, D.C.

September 11, 2000

DOCKET NO. 89-26

THE GOVERNMENT OF THE TERRITORY OF GUAM, ET AL.

v.

**SEA-LAND SERVICE, INC. AND
AMERICAN PRESIDENT LINES, LTD.**

**MOTION TO SUBMIT COMPLAINANTS'
EVIDENTIARY CASES SIMULTANEOUSLY GRANTED**

By motion, to which respondents do not object, complainants request permission to submit their evidentiary cases against both respondents APL and Sea-Land Service, Inc. on the same date, namely, 45 days after completion of discovery. Under the current schedule, complainants would have to submit their evidentiary cases against each respondent separately because respondent Sea-Land, unlike APL, has been delayed in furnishing discovery responses.

The motion is reasonable and it is hereby granted.
