FEDERAL MARITIME COMMISSION

WASHINGTON, D.C.

January 15, 2002

DOCKET NO. 89-26

THE GOVERNMENT OF THE TERRITORY OF GUAM, ET AL.

v.

**SEA-LAND SERVICE, INC. AND
AMERICAN PRESIDENT LINES, LTD.**

**CONSENT MOTION GRANTED FOR EXTENSION OF TIME
TO FILE DISPOSITIVE MOTIONS IN PHASE II**

Respondents Sea-Land Service, Inc. and American President Lines, Ltd. seek an order granting respondents an extension of time until February 1, 2002, to file dispositive motions in Phase II of this proceeding. Respondents' motions are currently due to be filed on January 22, 2002. Respondents have discussed this motion with complainants, and complainants have consented to the request. Respondents advise that this request is made due both to a recent illness of counsel and the confluence of pressing deadlines on other active matters. In the circumstances, respondents' request will be granted.

IT IS ORDERED:

Respondents' dispositive motions in Phase II of this proceeding are now due February 2, 2002, instead of January 22, 2002.
