DOCKET NO. 24-21

Served: April 8, 2025

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

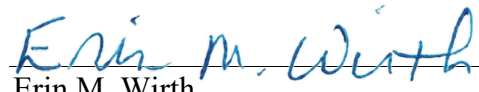

ORDER GRANTING JOINT MOTION TO FURTHER EXTEND DEADLINE

On April 7, 2025, the parties filed a joint motion seeking to extend the deadline for submission of discovery disputes by ten days, from April 14, 2025, to April 24, 2025 (“Motion”). On March 25, 2025, the deadline was previously extended by two weeks. The Parties state that granting this Motion would not require any other revisions to the Scheduling Order. Motion at 3.

The parties state that they have “met and conferred twice since filing the previous motion,” they “have made substantial progress towards resolving numerous differences between them and narrowing others,” and they “are in the process of attempting to memorialize and finalize their revised positions, which will then enable them to determine which issues, if any, need to be presented to the Presiding Officer for resolution.” Motion at 2.

The parties are encouraged to resolve their discovery difference between themselves. 46 C.F.R. §502.141(h). They should focus on ensuring that any discovery sought is relevant to an element of a claim raised in the Complaint.

Good cause having been stated, it is hereby ordered that the joint motion be **GRANTED**. The deadline for submission of discovery disputes is extended to April 24, 2025. The other deadlines in the Scheduling Order are not changed.
