BEFORE: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER GRANTING MOTION TO EXTEND TIME TO FILE RESPONSIVE PLEADINGS

On October 24, 2019, Respondent filed a motion seeking extension of time to file responsive pleadings, stating that in-house counsel had been travelling and Respondent was "in the process of engaging outside counsel." On October 30, 2019, Respondent filed an amended motion indicating that it "has retained outside counsel." The requested 14-day extension is needed to allow new counsel to review the case.

Respondent indicates in the amended motion that it has conferred with Complainant's counsel and "Complainant does not oppose this request for extension." Amended Motion at 2. Good cause having been provided, the requested brief extension will be permitted.

Accordingly, Respondent's motion to extend the time to file a responsive pleading is **GRANTED**. Respondent shall file its response to the complaint by November 6, 2019 and the parties shall exchange initial disclosures and submit a joint status report with proposed schedule by November 13, 2019. The parties are reminded to provide courtesy copies of all filings to judges@fmc.gov.
