Complainant Logfret, Inc. hereby respectfully submits this Motion requesting that Your Honor grant Complainant an extension to file a Response to Respondents' Motion to Dismiss in the above-captioned matter, in accordance with Rule 71 of the FMC Rules of Practice and Procedure (46 C.F.R. § 502.71).

On January 29, 2019, Complainant requested a seven-day extension to respond to Respondents' pending Motion to Dismiss. On January 30, 2019, Your Honor granted the motion to extend the time to respond to Respondents' motion to dismiss, until February 7, 2019. Complainant respectfully requests a further extension of time to file a response to said Motion to Dismiss, of sufficient length to permit Your Honor to rule on the Motion to Amend the Complaint that Complainant is submitting concurrently with this Motion. Complainant respectfully posits that litigating the Motion to Dismiss at this juncture in time would not be in the interests of the parties or of judicial economy, in light of Complainant's Motion to Amend the Complaint.

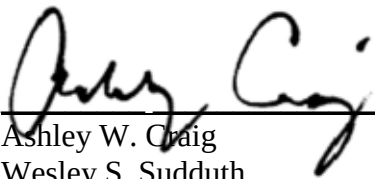

Counsel for Complainant conferred with Respondents' Counsel on February 6, 2019 pursuant to 46 CFR §502.71(a), and Respondents' Counsel objects to the requested extension of time.

CONCLUSION

For the foregoing reasons, Complainant respectfully requests that Your Honor grant this Motion for Extension of Time to File a Response in Opposition to Motion to Dismiss.

Dated: February 7, 2019

Respectfully submitted,
