ORDER GRANTING RESPONDENTS' MOTIONS FOR EXTENSION OF TIME

On June 21, 2016, Respondents filed a motion for extension of time

until July 15, 2016 of any and all deadlines applicable to Respondents that are or may be due before that date, including but not limited to their Reply to Complainants' Response to Respondents' Motion for Judgment on the Pleadings. The reason for this request is that Counsel for Respondents will be out of the country from June 23 through July 5, 2016. This fact was noted in Respondents' Proposed Schedule, which if adopted would appear to alleviate the need for this motion.

(Respondents' Motion for Extension of Time (filed June 21, 2016) at 1.) On June 27, 2016, Respondents filed a second motion for extension of time referring to the first motion for extension of time and moving specifically "for an extension until July 15, 2016 to respond to Complainants' Response to Respondents' Motion for Judgment on the Pleadings." (Respondents' Motion for Extension of Time (filed June 27, 2016) at 1.) On June 27, 2016, Complainants filed a consolidated opposition to both motions.

On June 28, 2016, Respondents filed a Revised Motion for Extension of Time. In the revised motion, Respondents state:

As previously noted, Counsel's father has been seriously ill. His condition has worsened and he is now deemed likely to pass any day. Counsel is returning early from his trip overseas but will immediately go out of town to be with his father and will likely return no earlier than July 8 after Shiva is finished. Given the indeterminate nature of the situation, the undersigned requests an extension of time until ten (10) days from his first day back in the office. The undersigned will file a notice of return on the day he is back in the office.

(Respondents' Revised Motion for Extension of Time at 1-2.)

Upon consideration of Respondents' motions for extension of time, Complainants' opposition thereto, and the record herein, it is hereby

ORDERED that Respondents' motions be **GRANTED**. Time is extended to July 18, 2016, for all deadlines for Respondents to file, including Respondents' reply to Complainants' Response to Respondents' Motion for Judgment on the Pleadings. Respondents should file a notice advising the Commission on the day he returns to his office. If circumstances dictate, this deadline may be extended.
