RESPONDENTS' STATUS REPORT

Respondents EUL and Mr. Hitrinov hereby submit this status report regarding Complainants' allegations—made in their August 9, 2016 Reply to Respondents' Response to Order for Parties to Supplement the Record—that Respondent Michael Hitrinov's signature to his Affirmation filed on June 10, 2016 is "fraudulent, and has been forged." Indeed, in making this allegation, Complainants go so far as to violate Rule 201(d) by submitting a "non-disclosed" report by a purported "expert."

We could have readily saved Complainants this time and expense, had they simply asked. Mr. Hitrinov did in fact sign the Affirmation. But he did so by using a touchscreen mode of

signing via SignEasy, a mobile application. Though we have no reason to doubt that such signature is sufficient, as it was in fact signed by Mr. Hitrinov, to set Complainants' minds at ease we attach hereto an original notarized signature page to the Affirmation executed by Mr. Hitrinov in ink.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Eric Jeffrey Anjali Vohra". The signature is written in a cursive, flowing style. It is positioned above a horizontal line that separates it from the printed text below.
