v.

FMC DOCKET NO. 18-04

MAURICE WARD NETWORKS, LTD.
d/b/a MAURICE WARD GROUP;
MAURICE WARD & CO., BV.; and
MAURICE WARD & CO. S.R.O.,

Respondents.

VERIFIED COMPLAINT

Complainant Falcone Global Solutions, LLC submits this Verified Complaint alleging violations of the Shipping Act of 1984, 46 U.S.C. § 40101 *et seq.*, by Respondents Maurice Ward Networks, Ltd. d/b/a Maurice Ward Group, Maurice Ward & Co., BV., and Maurice Ward & Co., S.R.O. (collectively, "Respondents"). This action arises out of Respondents' unlawful withholding of 87 containers of Complainant's cargo in an attempt to extort Complainant into paying invalid invoices with inaccurate fees and charges that were disputed by Complainant. Respondents unlawfully changed bills of lading governing the shipment of the containers from nonnegotiable Sea Waybills to Bills of Lading, and then refused to release the original Bills of Lading without payment, and steamship lines refused to release the cargo without the original Bills of Lading. Respondents' conduct is in violation of the Shipping Act and has caused Complainant substantial injury. In further support of its Complaint, Complainant states as follows:

PARTIES

1. Complainant Falcone Global Solutions, LLC ("Falcone") is a limited liability company duly organized under the laws of the State of Georgia, with its principal place of business located at 3340 Peachtree Road, N.E., Suite 1430, Atlanta, Georgia, 30326. Falcone is a licensed as an

JURISDICTION

5. The Federal Maritime Commission has jurisdiction over this Complaint pursuant to 46 U.S.C. § 41301 because the actions of Respondents that are the subject of this Complaint constitute violations of the Shipping Act. As more particularly alleged below, Falcone is seeking reparations

and all other appropriate relief for injuries caused as a result of Respondents' violations of 46 U.S.C. § 41102(c) and 46 U.S.C. § 41104(2), (3), (4) and (10).

STATEMENT OF FACTS

6. MWG, through its numerous branches and member partners throughout Europe, provides global freight forwarding, warehousing, logistics, and custom clearance services for its customers. MWG has served as shipping agent for Falcone for approximately 8,000 transactions involving the shipment of freight from Europe to the United States and foreign countries. MWBV is the Netherlands member of MWG and MWSRO is the Czech Republic member of MWG.

7. At all times relevant to the allegations in this Complaint, Respondents were acting as a common carrier as defined in 46 U.S.C. § 40102(6).

8. The business relationship between Respondents and Falcone is governed by two sets of terms and conditions. The first are the terms and conditions for Falcone's FalcTrak 2.0 Platform ("FalcTrak"), entitled, "FGS 100 Terms and Conditions: Clients, Motor Carriers, Brokers and Agents" ("FGS 100 Terms").¹ The second is an Independent Contractor/Agent Agreement (the "Agreement") dated March 2015,² which provides additional terms and conditions governing the parties' business relationship.

9. Respondents used Falcone's FalcTrak program to book Containers. At the time of booking through FalcTrak, a message appeared on the website, requiring the user to accept the FGS 100 Terms by affirmatively clicking on a message that reads: "I have read and agree to the terms and conditions." After clicking acceptance of the FGS 100 Terms, and until completion of the FalcTrak

¹ A true and correct copy of the FGS 100 Terms is attached hereto as Exhibit "1."

² A true and correct copy of the Independent Contractor/Agent Agreement is attached hereto as Exhibit "2."

cargo booking procedures, the FGS 100 Terms remained on the user's dashboard in the upper right hand corner of the monitor screen. If the user of the FalcTrak fails to accept the terms, the system locks him or her out and the booking cannot be processed.

10. From 2014 to the present, Respondents collectively booked over 8,000 containers through FalcTrak. Each booking generates an entry in a log maintained by Falcone. This log also records which of Respondents' representatives agreed to be bound by the FGS 100 Terms. Numerous representatives of Respondents, including Peter van der Werff, Aldin Mehanovic, Jacob Eekhout, Patrick van den Ham, Ronald Huizing Robin Leben, Nigel Mitchell, and Ian Rayner, among others, agreed for Respondents to be bound by the FGS 100 Terms.

11. The parties also generated bills of lading governing specific shipments of goods. The standard practice among the parties, including with respect to the specific transaction giving rise to Falcone's claims in this action, was to transport cargo pursuant to a *non-negotiable* "Express Ocean Bill of Lading," which the parties also interchangeably referred to as a "Sea Waybill."

12. The Sea Waybill or nonnegotiable bill of lading document names a "consignee" (the party taking possession of cargo at the port of discharge, or place of delivery).

13. Because the transaction is made subject to a nonnegotiable bill, the consignee is not required to tender an original or copy of that document in exchange for possession of the freight.³

14. The ocean carrier that transported the cargo from the origination port to the destination port pursuant to the terms of the Sea Waybills was required to release the freight to the named consignee once the payment of freight charges was arranged and the cargo clears customs.

³ See e.g., *the Federal Bills of Lading Act*, 49 U.S.C.A. § 80110(b)(2) (the ocean carrier "may deliver the goods covered by a [non-negotiable] bill of lading to...(2) the consignee named in a nonnegotiable bill." (omitting any reference to the presentation of the bill by the consignee in order to secure possession)).

15. For approximately four years, and over numerous transactions, the parties followed the following procedures:

- a) The MWG member (acting as a “freight forwarder” on the origin side of the transaction) would book an order via FalcTrak;
- b) The MWG member would issue the Sea Waybill, or “straight” ocean bill of lading or “express release” ocean bill of lading (used interchangeably), on behalf of Falcone, which acted as the freight forwarder on the destination end of the transaction.⁴
- c) Acting as a freight forwarder, the MWG member arranged for the cargo to be delivered to the ocean carrier from the shipper;
- d) The cargo would be shipped to its port of destination and the cargo released to the named consignee – Falcone – after all agreed upon freight charges, customs costs, trucking fees (related to the freight being moved from the destination port’s docks to a warehouse or other location) and other miscellaneous shipping charges were paid by the consignee Falcone (again, acting as a freight forwarder on the opposite side of the transaction from Respondent);
- e) As the freight forwarder in the United States, Falcone paid ocean carrier charges for ocean carriage directly, without involving Respondents, pursuant to Falcone’s contracts with the ocean carriers and Falcone’s license as a non-vessel operating common carrier;
- f) When ocean carriers provided other services, such as barging from a factory to the port of origin, Falcone also paid such charges directly, rather than through Respondents;
- g) Later, Respondents would invoice Falcone for fees and any transactional charges agreed to between Falcone and Respondents pursuant to their Agreement and course of dealing.

⁴ The Sea Waybills at issue are attached as Exhibit “3.”

One customary fee included Falcone paying \$50.00 "profit" per cargo container delivered;

- h) Pursuant to the FGS 100 Terms, any invoices submitted on behalf of Respondents were not due until 90 days from receipt, confirmation and approval by Falcone; and
- i) All monies paid by Falcone to Respondents flowed directly through to MWG as the ultimate payee.
- j) During the course of their four year business relationship, MWG regularly invoiced Falcone and Falcone regularly paid the invoices in accordance with the Agreement, the FSG 100 Terms, and the parties' course of dealing.

16. During the course of their four-year business relationship, MWG regularly invoiced Falcone and Falcone regularly paid the invoices in accordance with the Agreement, the FSG Terms, and the parties' course of dealing.

17. Beginning in approximately January 2015, MWG began invoicing Falcone for alleged unpaid fees and charges for past invoices and transactions.⁵ Until receiving documentation for these alleged past due amounts, Falcone had no notice or indication from Respondents that any past due amounts were claimed or due. Falcone disputed the amounts claimed in writing.

18. Falcone repeatedly requested documentation of the disputed charges, but none to date has been provided by MWG. Many of the disputed charges appear on their face to be "double dipping," unauthorized, or fraudulent. For example, the invoices included charges for expenses such as barging that Falcone already paid directly to the shipper.

⁵ A true and correct copy a summary for Falcone's alleged (and disputed) past due amounts due and owing Respondents is attached hereto as Exhibit "4."

19. Falcone mistakenly believed it was negotiating in good faith with Respondents in an effort to reach a compromise and settlement of the alleged past due amounts in dispute.

20. In March and April 2018, MWBV was engaged by Falcone to ship a total of 87 cargo containers to various locations across the world. Pursuant to their regular course of dealing, and in accordance with the terms and conditions of the Agreement and the FGS 100 Terms, the nonnegotiable Sea Waybills attached were issued by MWBV, acting on behalf of MWG, in the name of Falcone for shipments of the 87 cargo containers.

21. Unbeknownst to Falcone at the time, on information and belief, sometime after the nonnegotiable Sea Waybills were issued, MWG and/or MWBV or MWSRO altered them into negotiable Bills of Lading with respect to 53 of the 87 containers. This was done without Falcone's authorization or knowledge.

22. On April 14, 2018, Respondents' legal counsel in Rotterdam, the Netherlands, sent Falcone correspondence demanding immediate payment of alleged past due amounts totaling approximately \$600,000, and informing Falcone that Respondents were withholding all original documents and containers in its possession until alleged past due amounts were paid.⁶

23. Respondents then acted on their threat and prevented Falcone from accessing the 87 containers. Because Respondents had altered the Sea Waybills to negotiable Bills of Lading, Falcone as the named consignee, was unable to obtain the release of the cargo and containers solely upon payment of customary shipping charges, including the freight charges due to the ocean carrier.

⁶ A true, accurate and correct copy of Defendants' April 14, 2018 correspondence is attached hereto as Exhibit "5."

24. Instead, because the documentation now purported to be negotiable bills of lading, Falcone was required to produce an original bill of lading document to obtain possession of the cargo from the carrier. Despite Falcone's repeated demands in April and May 2018 that Respondents release the cargo and the original bill(s) of lading to it, they refused to do so.

25. Rather, Respondents unlawfully withheld the release of all 87 containers by directing that they be relocated to a warehouse and not released to Falcone, demanding that payment in full of all alleged past due amounts (unrelated to the 87 containers), even though Respondents had failed to provide a substantiated accounting of the amounts they claimed due and despite the fact most of the charges appeared to be double billing, unauthorized, or fraudulent.

26. Respondents unlawfully withheld the release of the 87 containers for a period of approximately 20 days until Falcone was forced to post an unnecessary bond to secure their release. Falcone also incurred other unnecessary expenses such as demurrage and storage at ports in the United States.

VIOLATIONS OF THE SHIPPING ACT

27. Respondents failed to establish, observe and enforce just and reasonable regulations and practices related to or connected with receiving, handling, storing and delivering Falcone's consigned cargo, in violation of 46 U.S.C. § 41102(c).

28. Respondents imposed and attempted to collect improper fees and charges not contained in a service agreement between the parties or published tariff, in violation of 46 U.S.C. § 41104(2).

29. Respondents retaliated against Falcone by resorting to unfair and unjustly discriminatory methods by withholding release of the 87 containers after Falcone disputed the inaccurate fees and charges on Respondents' invoices, in violation of 46 U.S.C. § 41104(3).

30. Respondents engaged in unfair practices with respect to rates or charges under its tariff by invoicing Falcone for inaccurate and double-charged fees, in violation of 46 U.S.C. § 41104(4).

31. Respondents unreasonably refused to deal or negotiate in good faith with Falcone in resolving the disputed invoices, and instead unlawfully withheld the 87 containers, in violation of 46 U.S.C. § 41104(10).

INJURY TO FALCONE

32. Falcone has suffered and continues to suffer damages as a direct result of Respondents' violations of the Shipping Act.

33. Falcone seeks reparations for demurrage paid in the United States as a result of Respondents' failure and refusal to provide freight releases for the 87 containers, in an amount no less than \$12,300.00, and costs related to posting an unnecessary bond in an amount no less than \$785,000.00.

34. Falcone further seeks reparations for lost income and other related consequential and incidental damages arising from Respondents' violations of the Shipping Act, including any and all overpayments to Respondents, the full extent of which can only be determined after obtaining discovery from Respondents concerning its billing practices.

PRAYER FOR RELIEF

35. WHEREFORE, Falcone prays that Respondents be required to answer the charges in this Complaint, and that after due hearing and investigation:

(a) the Commission order that Respondent pay Falcone reparations for violations of the Shipping Act in an amount no less than 798,300.00, along with additional damages to be determined, plus interest;

(b) Falcone be awarded its costs and attorneys' fees;

- (c) the Commission terminate the Respondents' FMC registration(s) as a foreign-based unlicensed NVOCC authorized to provide services in U.S. foreign trade pursuant to 46 C.F.R. § 515.19(g)(i), due to Respondents' violations of the Shipping Act; and
- (d) Falcone be awarded such other and further relief be granted as the Commission determines to be proper, fair, and just in the circumstances.

36. Falcone requests a hearing on this matter, and further requests that the hearing be held in Atlanta, Georgia.

Respectfully submitted, this 15th day of June, 2018.

A. FGS as Agent. The Customer acknowledges and agrees that FGS may act as the non-exclusive agent of the Customer for the limited purpose of performing duties in connection with the entry and release of goods, post entry services, the securing of export licenses, the filing of export documentation on behalf of the Customer and other dealings with government agencies.

B. Shipments, Billing & Rates. Shipments, Delivery Orders, and Bills of Ladings are tendered by FGS to a Carrier or Broker and/or Agent pursuant to the parties' agreement to this T&C.

C. Drayage/intermodal. Unless otherwise specified, FGS sets base rates including fuel surcharges before tendering freight. Unless otherwise specified, chassis lease fees are the responsibility of FGS and their chassis lease providers. If either a Carrier or Agent and FGS agree to use a carrier o Agent's chassis, a set number of days and rate will be agreed by both parties in writing with an interchange agreement to be provided for backup of chassis usage.

D. FGS Billing. FGS shall conduct all billing services for TSP services rendered to Customers or other parties responsible for payment. Each TSP shall invoice FGS for its applicable charges, as mutually agreed in writing, by e-mail or by electronic means, or as contained in FGS's Load Confirmation Sheet(s)/dispatch sheets. Additional rates for truckload or LTL shipments, or modifications or amendments of the above rates, or additional rates, may be established to meet changing market conditions, shipper requirements, FGS requirements, and/or specific shipping schedules as mutually agreed upon, and shall be confirmed in writing (or by fax or email) by FGS and the TSP. Any such additional, modified, or amended rates, changes in rates shall automatically be incorporated herein by this reference

E. Rates and Payment. Any rates which are verbally agreed upon shall be deemed invalid unless confirmed in writing by FGS. All written confirmations of rates, including confirmations by billing and payment, shall be incorporated herein by this reference. Rates or charges, including but not limited to stop-offs, detention, loading or unloading, fuel surcharges, or other accessorial charges, tariff rates, released rates or values, or tariff rules or circulars, shall only be valid when their terms are specifically agreed to in a writing signed by FGS and the applicable TSP. Each TSP acknowledges and agrees that FGS is the sole party responsible for payment of a TSP's charges. If FGS does not collect payment from its Customers, then FGS is not required to, and is exonerated from, FGS's obligation to pay the TSP. FGS agrees to pay any TSP invoice within 90 days of FGS's receipt of the timely dated, error-free invoice sent with all required supporting documentation including, without limitation, the bill of lading and/or proof of delivery. Each TSP acknowledges that it may only seek payment from FGS, and each TSP may not seek payment from the Customer or other party responsible for payment.

F. Old Invoices. Each TSP acknowledges and agrees that any TSP Invoices which do not contain sufficient backup documentation or are received by FGS more than 90 days from the applicable date of service for which payment is being sought may be deemed by FGS in FGS's sole discretion as invalid for payment and void. Each TSP shall regularly send a comprehensive aging report to FGS.

6. TSP RESPONSIBILITIES

A. Equipment. Each TSP agrees to provide or arrange to provide the necessary equipment and qualified personnel for completion of the transportation services required by FGS and/or the Customers. Each TSP agrees not (i) to use or (ii) arrange to use equipment that has been used to transport hazardous wastes. Each TSP agrees that all shipments will be transported and delivered with reasonable dispatch, or as otherwise agreed in writing.

B. Bills of Lading. Carrier and Agent shall sign a bill of lading, produced by the Customer or a TSP, and maintain

compliance with 49 C.F.R. §373.101 (and any amendments thereto) for the property it receives for transportation under this Agreement. Unless otherwise agreed in writing, a TSP hired by FGS (or on FGS's behalf) shall become fully responsible and liable for the freight when it takes/receives possession thereof regardless of whether a bill of lading has been issued and/or signed. This responsibility/liability shall continue until delivery of the shipment to the consignee, and the consignee signs the bill of lading or delivery receipt. Any terms of a circular, tariff, publication or bill of lading (including but not limited to payment and credit terms, released rates or released value) inconsistent with the terms of this T&C shall be ineffective, non-binding and inapplicable to FGS and the Customers. Failure to issue or sign a bill of lading shall not affect the liability of a TSP.

C. Loss & Damage Claims. 49 C.F.R. §370.1 et seq., as amended, shall govern all TSPs for processing all freight loss, freight damage and freight salvage claims. A TSP's liability for any cargo damage, loss, or theft from any cause shall be determined pursuant to the Carmack Amendment; provided, however, that a TSP's liability for freight loss and damage claims shall include all of FGS's legal fees in enforcing this T&C. Notwithstanding anything to the contrary, a TSP shall pay, decline or make settlement offer in writing on all freight loss or damage claims within 30 days of receipt of the claim. Failure of a TSP to pay, decline or offer settlement within this 30 day period shall be deemed admission by such TSP of full liability for the amount claimed and a material breach of this T&C. A TSP's cargo liability for cargo damage, loss, delay or theft from any cause for any one shipment shall not exceed \$500,000.00 unless such TSP is notified by FGS or the Customer of the increased value at least 10 days prior to shipment pick up.

D. Insurance. Each TSP shall furnish FGS with Certificate(s) of Insurance, or insurance policies providing thirty (30) days advance written notice of cancellation or termination, and unless otherwise agreed, subject to the following minimum limits: General liability \$1,000,000.00 per occurrence; automobile liability (including hired and non-owned vehicles) \$1,000,000.00 per occurrence, (\$5,000,000 if transporting hazardous materials). Brokers may carry contingent automobile liability insurance; cargo liability insurance in an amount of \$100,000.00 per occurrence; and workers' compensation insurance as applicable. Nothing in this T&C shall be construed to avoid or limit a TSP's liability due to any exclusion or deductible in any insurance policy.

E. Taxes. Each TSP assumes full responsibility and liability for payment of all applicable federal, state, and local payroll taxes, sales tax, income tax, taxes for unemployment insurance, old age pensions, workers' compensation, social security, etc. with respect to persons engaged in the performance of its transportation services hereunder.

7. MISCELLANEOUS

A. Limitations of Action. Unless subject to a specific statute or international convention, all claims against FGS for a potential or actual loss, must be made in writing and received by FGS, within sixty (60) days of the event giving rise to claim; the failure to give FGS timely notice shall be a complete defense to any suit or action commenced by Customer or a TSP. All suits against FGS must be filed and properly served on FGS as follows: (i) for claims arising out of ocean transportation, within one (1) year from the date of the loss; (ii) for claims arising out of air transportation, within two (2) years from the date of the loss; (iii) for claims arising out of the preparation and/or submission of an import entry(s), within seventy-five (75) days from the date of liquidation of the entry(s); and (iv) for any and all other claims of any other type, within one (1) year from the date of the loss or damage.

B. No Liability for the Selection or Services of a TSP and/or Routes. Unless services are performed by persons or firms engaged pursuant to express written instructions from the Customer, FGS shall use reasonable care in its selection of TSPs, or in selecting the means, route, and procedure to be followed in the handling, transportation, clearance, and delivery of the shipment. Advice by FGS that a particular TSP has been selected to render services with respect to the goods, shall not be construed to mean that FGS warrants or represents that such TSP will render such services nor does FGS assume responsibility or liability for any action(s) and/or inaction(s) of such TSP, third parties and/or its agents, and shall not be liable for any delay or loss of any kind, which occurs while a shipment is in the custody or control of a third party; all claims in connection with the act of a TSP or third party shall be brought solely against such party and/or its agents; in connection with any such claim, FGS shall reasonably cooperate with the Customer, which shall be liable for any charges or costs incurred by FGS.

C. Independent Contractor; Non-Exclusive. It is understood and agreed that the relationship between FGS and any TSP is that of independent contractor. None of the terms of this T&C or any acts taken by the parties to this T&C shall be construed for any purpose to express or imply a joint venture, partnership, principal/agent, fiduciary, or employer/employee relationship between the Parties. Each TSP acknowledges and agrees that this T&C does not create an exclusive relationship between the parties.

D. Waiver. The failure by FGS to enforce a breach or waiver of any provision or term of this T&C shall not be deemed to constitute a waiver of any subsequent failure or breach, and shall not affect or limit the right of FGS to thereafter enforce such a term or provision.

E. Entire Agreement. This T&C and constitutes the entire agreement between the parties and supersedes all previous agreements and understandings relating to the subject matter hercof. Except as expressly provided herein, this T&C may not be altered, amended, or modified except by a written instrument signed by the duly authorized representatives of both parties.

F. Governing Law; Consent to Jurisdiction, Venue and Arbitration. These terms and conditions of service and the relationship of the parties shall be construed according to the laws of the State of Georgia without giving consideration to principals of conflict of law. In the event of any claim or dispute arising out of this T&C, including but not limited to Federal or State statutory claims, a TSP's sole recourse and a Customer's sole recourse shall be to initiate arbitration. Proceedings shall be conducted in the County of Fulton, State of Georgia, and the arbitrator shall apply the provisions of this T&C to the parties. The arbitrator's decision shall be final and binding upon the parties.

G. No back-solicitation. Below and attached an overview of the amounts now still due (**attached SOA**).

Total	EUR	19.699,35	4.790,42	14.908,93
Total	USD	597.222,46	88.541,75	508.680,71
Total	GBP	410,11	540,42	-130,31

Despite of several requests and demands you unfortunately did not arrange payments of the due invoices. There is now a well-founded fear that you will neither pay or provide sufficient security for the recovery of the sums. Client is therefore entitled to withhold all (original) documents and cargo that it has under its possession until the amounts due are paid in full.

I herewith therefore put you on notice that as per today client will exercise its right of retention and or pledge on everything that it has under its possession either directly or through a third party on the basis of its legal relationship with you until the amounts due are paid in full. Attached an overview of containers in transit, the delivery of which will be affected by these measures (**attachment**). Note that all credits as per today will be withdrawn.

Client regrets having to take this measure, however feels left with no other choice. Hopefully you will revert with a suitable proposal. Any reply can be directed to me.

I hope herewith to have sufficiently informed you.

Kind regards,
Alius law
