v.

SEAFRIGO USA, INC., *Respondent*.

DOCKET NO. 22-17

Served: November 8, 2022

ORDER OF: Linda S. Harris CROVELLA, *Administrative Law Judge*.

ORDER EXTENDING TIME TO FILE JOINT STATUS REPORT

On November 7, 2022, the parties filed an abbreviated joint status report that also requests an extension of time (“Joint Status Report and Motion to Extend”) to file a comprehensive joint status report. The parties indicated that they are in the process of reviewing “the first round of discovery responses” with their respective clients, and because their clients are international, a three-day extension of time until November 10, 2022, would enable them “to provide a more comprehensive update on the next steps being considered by the parties.” Joint Status Report and Motion to Extend at 1.

A brief delay in filing the joint status report is reasonable and will allow the parties to provide a more accurate update on the status of discovery. Good cause having been stated, it is hereby ordered that the joint motion seeking an extension of time to file a comprehensive joint status report is **GRANTED**.
