BAKERLY, LLC, *Complainant*

v.

SEAFRIGO USA, INC., *Respondent*.

DOCKET NO. 22-17

Served: March 29, 2023

ORDER OF: Linda S. Harris CROVELLA, *Administrative Law Judge*.

ORDER TO RESPOND TO MOTION FOR PROTECTIVE ORDER

On March 29, 2023, Complainant filed a Motion for Expedited Review of its Motion for Protective Order filed on the same date. Exhibit A to the Motion for Protective Order consists of three notices of deposition propounded by Respondent on Complainant on March 28, 2023. The notices set the date for the depositions as April 3, 2023. Given that there is less than one week before the depositions are to begin, Complainant asks for expedited review of its motion to protect.

Because Respondent served the notices of deposition one week before the close of discovery, the allowance of 7-days to respond to a non-dispositive motion under §502.71(b) is not practical. Accordingly, good cause exists to expedite review of Complainant's motion.

Respondent is hereby **ORDERED** to respond to the Motion for Protective Order by 5:00 p.m. March 30, 2023.
