**INFORMAL DOCKET
NO. 1971(I)**

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER GRANTING EXTENSION OF TIME TO FILE RESPONSE TO COMPLAINT

On August 4, 2021, the Secretary of the Federal Maritime Commission issued a Notice of Filing of Small Claims Complaint and Assignment noting that Complainant Mohawk Global Logistics Corp. dba Mohawk Global Logistics ("Mohawk") had filed an informal complaint against Respondent MSC Mediterranean Shipping Company (USA) Inc. as agent for Mediterranean Shipping Company, S.A., Geneva. The Secretary stated that Respondent was required to respond to the complaint by August 30, 2021.

On August 27, 2021, Respondent filed a motion for a brief extension of time until Friday, September 3, 2021, to file its response. Respondent states that the additional time is needed because "[d]ue to pre-scheduled holiday vacations, certain personnel are not available to provide information relevant to and/or review the response prior to filing." Motion at 1. Respondent states that the brief extension will not unduly delay the proceeding and that it conferred with Claimant and Claimant does not object to the request for additional time. Motion at 1-2.

Respondent's request is unopposed by Claimant and is for a short extension of time to allow Respondent enough time to prepare an adequate answer to the complaint. Good cause having been stated, it is hereby ordered that Respondent's motion for extension of time until September 3, 2021, to file its response to the complaint be **GRANTED**. Complainant's response should be filed by September 3, 2021.
