ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge.*

SECOND REVISED SCHEDULING ORDER

On November 11, 2025, the parties filed a joint motion seeking to revise the schedule ("Motion"). The parties seek to align the scheduling order in this proceeding with the schedule in the parallel action in the Southern District of New York. I had previously ordered that discovery produced in the parallel action could be used in this proceeding and the two cases are currently on a similar track. It is noted that the Commission often has shorter deadlines than proceedings in other jurisdictions, so such alignment may not always be possible. In this case, however, the parties are only seeking an extension of 38 days. The efficiency produced is sufficient to find good cause for this extension request. The parties should be prepare to begin briefing four weeks after the close of discovery.

Accordingly, the parties are hereby **ORDERED** to follow this second revised schedule:

January 23, 2026 Last day for fact discovery and depositions.

January 29, 2026 Last day for service of requests for admission.

January 30, 2026 Expert reports exchanged. Joint status report with proposed briefing schedule due.

February 16, 2026 Expert rebuttal reports exchanged.

March 2, 2026 Close of all discovery.

The parties are encouraged to continue discussing settlement of this proceeding. However, such discussion will not stay other deadlines in the proceeding as engaging in discovery could provide evidence that assists the parties in resolving their differences, while delays hinder the parties' progress. If a settlement is reached, the parties must file a motion requesting approval of it along with a copy of the settlement. 46 C.F.R. § 502.72(a)(3).
