

FEDERAL MARITIME COMMISSION

Office of the Administrative Law Judges

Francis Sheka Kanu, Complainant

v.

Ejike Dickson Eze d/b/a Ejike International Trade Ltd.;

Sealines International; Seamates International, Inc.; and Maersk, Respondents.

DOCKET NO. 25-05

Date: August 2, 2025

COMPLAINANT'S STATUS REPORT PURSUANT TO ORDER SERVED JULY 21, 2025

Honorable Judge Ambrow,

Pursuant to the Order dated July 21, 2025, directing the Complainant to file a status report by August 4, 2025, I respectfully submit the following update in the above-referenced matter:

1. Update on Container Transportation

Respondent Ejike Dickson Eze, d/b/a Ejike International Trade Ltd., has transmitted the sum of Six Hundred U.S. Dollars (USD \$600) to his shipping agent in Port Noire, Congo, to process the release of my container from Port Noire Customs. A copy of the payment confirmation receipt is attached hereto for the Court's review. It is my understanding that once the release process is completed, arrangements will be made to have the container re-shipped to its contracted destination, Queen Elizabeth II Port in Freetown, Sierra Leone. I anticipate receiving confirmation of the actual shipment date in the coming days.

2. Potential Resolution of the Matter

Assuming the container is properly transported and delivered to the correct destination as originally contracted, I believe this matter can be fully resolved **with prejudice in its entirety** as to all Respondents.

3. **Written Agreement and Request to Withdraw**

Attached is a copy of the written request for withdrawal of the complaint dated June 23, 2025, submitted in light of the steps undertaken by Respondent Ejike Dickson Eze to redirect the container. This document reflects my willingness to discontinue this proceeding once the container has been successfully delivered to Freetown, Sierra Leone, as contracted.

I remain committed to updating the Commission promptly should there be any changes or developments affecting the resolution of this matter. I respectfully request that the Commission take note of this status report and the ongoing corrective actions by Respondent Ejike Dickson Eze toward resolving the dispute.

Respectfully submitted,
