ORDER ENLARGING TIME TO FILE REPLY MEMORANDUM

On December 8, 2017, Respondents filed a motion to dismiss the Complaint. On December 26, 2017, Complainants filed their response to the motion. Pursuant to Commission rules, Respondents reply to Complainants' response to the motion to dismiss is due January 2, 2018.

On December 28, 2017, Respondents filed a motion to enlarge the time to file their reply, stating:

Respondents would greatly appreciate an extension of seven (7) days, until January 9, 2018, to file a Reply to said Response since members of the legal team for Respondents are [traveling] through the New Year, and further will need to confer with the Respondents' legal department located in its home office in Copenhagen, Denmark.

Respondents have conferred with Claimants' Counsel on December 28, 2017 pursuant to 46 CFR § 502.71(a) and Claimants' Counsel has assented to the extension of time pending approval by Your Honor.

(Motion at 1-2.) Good cause having been stated, it is hereby

ORDERED that the time for Respondents to file their reply to Complainants' response to the motion to dismiss is enlarged to January 9, 2018. Respondents are directed to include in their reply a discussion of the effect of the tolling agreements described in paragraphs 32-34 of the Complaint on Respondents' statute of limitations argument.
