DOCKET NO. 24-15

Served: April 16, 2024

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge.*

NOTICE OF RIGHT TO RESPOND AND TO REPLY

On March 22, 2024, a notice and initial order was filed outlining the process for handling this proceeding. On April 16, 2024, the Office of Enforcement (“OE”) filed a copy of the Bureau of Certification and Licensing (“BCL”) Notice of Intent to Revoke provided to Netcycle Trading Corp. (“Netcycle”) along with the material supporting the notice as required by Rule 702(b) and the Initial Order.

Netcycle may respond in support of continuation of its license, and its response must be filed no later than May 16, 2024. 502 C.F.R. § 502.703. Netcycle is reminded that oral hearings are not held in the usual course of disposition of matters filed under Subpart X. 46 C.F.R. § 502.706(a). Netcycle’s written response must include all information and argument that it wants the presiding officer to consider, including a brief with legal arguments, proposed findings of fact, and an appendix with supporting documents. Failure to respond may result in a default decision upholding the license revocation.

OE may file a reply to Netcycle’s response within twenty days of Netcycle’s filing. 46 C.F.R. § 502.704. This notice serves as OE’s notification of its right to file a reply. 46 C.F.R. § 502.704.

The parties are reminded that the additional instructions in the notice and initial order continue to apply to this proceeding. Specifically, all filings should be emailed to *secretary@fmc.gov* with the opposing party and *judges@fmc.gov* copied on the email.
