v.

**Samsung Electronics Co., Ltd., Samsung SDS Asia Pacific Pte Ltd., and Samsung Electronics
Logitech Co., Ltd.**

JOINT STATUS REPORT

Pursuant to the February 26, 2026 Order on the Fifth Extension and Modification of Discovery Schedule (“Order”) (Dkt. 104) Complainant Samsung Electronics America, Inc. (“SEA”) and Respondent COSCO Shipping Lines Co., Ltd. (“COSCO”) (collectively, the “Parties”), submit this Joint Status Report.

Following the February 26, 2026 Order, COSCO submitted a proposal to SEA regarding the portion of SEA’s Motion to Compel discovery (Dkt. 95) that concerns the production of documents located in China. The Parties met and conferred concerning that proposal but did not reach agreement. On March 4, COSCO moved to Supplement the Record (Dkt. 107) on SEA’s Motion to Compel, seeking to include COSCO’s proposal regarding document production, and to include a declaration of Chinese counsel concerning the requirements of Chinese law for the cross-border production of documents located in China. SEA opposes the Motion to Supplement and will file its opposition by the March 11, 2026, deadline.

SEA states that it has completed its document production. COSCO states that it has substantially completed its document production from the United States and Korea, and that it is producing documents from China on a rolling basis.

Pending motions include:

- SEA's Motion to Compel (Dkt. 95) and COSCO's Motion to Supplement the Record on that motion (Dkt. 107)
- COSCO's Motion to Compel Discovery from SEA (Dkt. 103)
- The Motion of non-party SDS America, Inc. to quash COSCO's subpoena (Dkt. 81)
- The Motion of Third-Party Respondent Samsung SDS Asia Pacific Pte., Ltd. to quash COSCO's subpoena (Dkt. 89)¹
- The Motions of each of the Third-Party Respondents to dismiss COSCO's Third-Party Complaint (Dkt. 58, 65, and 84).²

¹ Service of the subpoenas issued by the Presiding Officer on Samsung SDS Co. Ltd. and Third-Party Respondents Samsung Electronics Co., Ltd and Samsung Electronics Logitech Co., Ltd. has not been effected by the Korean authority.

² The Third-Party Respondents had also moved to dismiss the Third-Party Complaint for insufficient service. COSCO opposed that motion and moved for alternative service. The Third-Party Respondents were subsequently served under Hague Convention procedures.

Respectfully submitted,
