DOCKET NO. 24-16

Served: June 10, 2026

ORDER OF: Linda S. Harris CROVELLA, *Administrative Law Judge.*

**ORDER SETTING STATUS CONFERENCE AND DATE TO RESPOND TO SUPPLEMENT TO THE
MOTION TO COMPEL**

The parties have raised ongoing issues with discovery through emails to the undersigned. In order to better understand the issues and whether the parties have jointly resolved any of them, a status conference is set for **Wednesday, June 17, 2026, at 2 p.m. E.D.T.** An email invitation to join the Teams meeting will be sent before the day of the conference.

Complainant, by email dated June 9, 2026, requested permission to file a supplement to its motion to compel and said it was drafted, and it could file it today, June 10, 2026, but it has not yet been received. Complainant must file the supplement by **9 p.m. today, June 10, 2026**, if it wishes to have it considered for discussion at the status conference. If Respondent wishes to file a response to the supplement to the motion to compel, it must be filed by **9 p.m. June 16, 2026**, so it, too, can be considered for discussion at the conference. The detailed emails the parties have sent to me regarding the supplement should be incorporated into the submissions if the parties wish them to be part of the record, and should make the shortened time to file the motion and response sufficient.
