Re: Special Permission Application Nos. 011956, 011957 and 011958 – Maersk A/S, FMC
Organization No. 025360, Tariff Nos. SEAU-OT-9504950, SEAU-OT-10067658 and
SEAU-OT-9538848

Dear Ms. Pereira:

This is to advise that the above-referenced applications for special permission submitted on June 3, 2020, pursuant to 46 C.F.R. § 520.14, for Maersk A/S, Org. No. 025360, are granted as follows.

Special permission is hereby granted to allow Maersk A/S, FMC Organization No. 025360, to reinstate the Terminal Handling Service – Destination charge “DHC” published in Tariff Nos. SEAU-OT-9504950, SEAU-OT-10067658 and SEAU-OT-9538848 of \$500 per 20’/40’ standard dry container and \$560 per 20’/40’ reefer container, to become effective June 4, 2020. The DHC charges due to go into effect on June 1, 2020 were inadvertently deleted due to a clerical error.

The Commission’s regulations at 46 C.F.R. § 520.14(a) and Section 8(d) of the Shipping Act of 1984, as amended (46 U.S.C. 405010(e)) authorize the Commission, in its discretion and for good cause shown, to approve applications for special permission to depart from the statutory notice period requirements. The Bureau of Trade Analysis has determined that good cause has been shown.

In accordance with 46 C.F.R. § 520.14(d), the corrected tariff publication for Maersk A/S Tariff No. SEAU-OT-9504950 shall bear Special Case Number SP-011956; SEAU-OT-10067658 shall bear Special Case Number SP-011957; and, the corrected tariff publication for Maersk A/S Tariff No. SEAU-OT-9538848 shall bear Special Case Number SP-011958.

Sincerely,

/s/

Florence A. Carr, Director
