DOCKET NO. 25-24

Served: January 30, 2026

NOTICE OF FILING OF AMENDED COMPLAINT

Notice is given that an amended complaint has been filed with the Federal Maritime Commission (the “Commission”) by Southern International Co., Ltd. (the “Complainant”) against Daynamez Group of Companies LLC (the “Respondent”). Complainant states that the Commission has subject-matter jurisdiction over the complaint pursuant to the Shipping Act, 46 U.S.C. § 40101 *et seq.*, and personal jurisdiction over Respondent as an entity that “held itself out” as a common carrier, as defined in 46 U.S.C. § 40102(7), and non-vessel-operating common carrier, as defined in 46 U.S.C. § 40102(17).

Complainant is a limited liability company and ocean transportation intermediary organized and operating under the laws of Vietnam with its principal place of business located in Ho Chi Minh City, Vietnam.

Complainant identifies Respondent as a limited liability company that engages in the business of providing ocean transportation services, organized and operating under the laws of the state of Virginia with its principal place of business located in Fairfax, Virginia.

Complainant alleges that Respondent violated 46 U.S.C. §§ 40901, 40902, and 41102(c). Complainant alleges these violations arose from Respondent’s operating as a non-vessel-operating

common carrier without a license, failure to remit payment to relevant carriers for the shipping of 558 containers contracted by Complainant, repeated misappropriation of funds, and other acts or omission by Respondent.

An answer to the amended complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/25-24/>.
