

BEFORE THE FEDERAL MARITIME COMMISSION
Office of Administrative Law Judges
WASHINGTON, D.C.

DOCKET NO. 25-24

SOUTHERN INTERNATIONAL CO., LTD.,
Complainant,

v.

DAYNAMEZ GROUP OF COMPANIES LLC,
Respondent.

JOINT STATUS REPORT WITH PROPOSED SCHEDULE

Pursuant to the Initial Order served September 5, 2025, 46 C.F.R. § 502.141(h), and the Order on Respondent's Motion to Dismiss Second Amended Complaint served March 16, 2026, Complainant Southern International Co., Ltd. ("SIC") and Respondent Daynamez Group of Companies LLC ("Daynamez") (collectively, the "Parties"), by and through their undersigned representatives/counsel, respectfully submit this Joint Status Report with Proposed Schedule.

1. Procedural Posture

Respondent's Motion to Dismiss the Second Amended Complaint was denied by Order served March 16, 2026. Respondent filed and served its Verified Answer, Affirmative Defenses, and Counterclaim on March 27, 2026. The pleadings are therefore at the stage where the Parties must proceed in accordance with the Initial Order and the Commission's discovery rules.

For purposes of the schedule below, the Parties have used March 27, 2026, as the operative date of service of the Answer.

2. Initial Disclosures

The Parties' initial disclosures pursuant to 46 C.F.R. § 502.141(b) were due on April 3, 2026, which is seven days after service of the Answer.

The Complainant exchanged their initial disclosures on April 3, 2026.

The Respondent exchanged their initial disclosures on April 4, 2026.

The disclosures were exchanged.

Section is not necessary as they were exchanged.

3. CADRS / Mediation

Complainant contacted the Office of Consumer Affairs and Dispute Resolution Services ("CADRS") on April 10, 2026, to request the mandatory preliminary conference pursuant to 46 C.F.R. § 502.64(a).

Respondent has contacted CADRS.

The CADRS preliminary conference is currently scheduled to be conducted by remote/online conference on April 14, 2026.

The Parties have agreed to engage in mediation at this time.

4. Discovery Parameters

The Parties do not currently anticipate needing depositions or interrogatories in excess of the default limits contemplated by 46 C.F.R. §§ 502.143 and 502.145, respectively, absent further order or agreement.

The Parties anticipate that discovery will include, at a minimum, written discovery, document and electronically stored information ("ESI") production, fact depositions, and expert discovery, if any.

The Parties also anticipate the need to confer regarding a confidentiality stipulation and/or a proposed protective order for commercially sensitive materials, including rate information, customer information, and internal banking/commercial records.

The Parties further anticipate the need to address foreign-language materials and any necessary English translations for evidentiary use in accordance with the Commission's Rules.

5. Proposed Schedule

In accordance with 46 C.F.R. § 502.141(g), which requires discovery to be completed within 150 days of the service of a respondent's answer, the Parties propose the following schedule:

Event	Proposed Deadline
Exchange Initial Disclosures	April 3, 2026 Already exchanged

Complainant's Expert Disclosures and Reports, if any	July 3, 2026
Last Day to Serve Supplemental Written Discovery Requests	July 17, 2026
Respondent's Rebuttal Expert Disclosures and Reports	August 3, 2026
Complete Fact and Expert Depositions	August 21, 2026
Close of Discovery	August 24, 2026
Complainant's Opening Brief, Proposed Findings of Fact, and Appendix	September 23, 2026

Event	Proposed Deadline
Respondent's Opposition Brief, Responses to Proposed Findings of Fact, and Appendix	October 23, 2026
Complainant's Reply Brief and Responses to Respondent's Proposed Findings of Fact	November 23, 2026

6. Need for Adjustment of Initial Decision and Related Case-Management Dates

The Parties submit the foregoing schedule to comply with the 150-day discovery-completion requirement in 46 C.F.R. § 502.141(g). The Parties note that the Commission's currently posted Initial Decision due date is August 31, 2026. Because the 150-day discovery period measured from the March 27, 2026 Answer extends into late August 2026, completion of post-discovery briefing before August 31, 2026 would not be practicable under the proposed schedule.

Accordingly, the Parties respectfully request that the Presiding Officer adjust the Initial Decision due date and any related case-management dates, as necessary, to accommodate the proposed schedule, subject to any further order of the Presiding Officer, including any order resolving motions directed to the Counterclaim or otherwise affecting case management.

7. Relief Requested

The Parties respectfully request that the Presiding Officer approve the foregoing proposed schedule, including such adjustment of the Initial Decision due date and related case-management dates as the Presiding Officer deems appropriate, or otherwise enter a modified scheduling order consistent with the Commission's Rules and any subsequent order resolving motions directed to the Counterclaim or other case-management issues.

Dated: April 14, 2026
