

**BEFORE THE FEDERAL MARITIME COMMISSION
Office of Administrative Law Judges**

WASHINGTON, D.C.

DOCKET NO. 25-24

SOUTHERN INTERNATIONAL CO., LTD.,
Complainant,

v.

DAYNAMEZ GROUP OF COMPANIES LLC,
Respondent.

**COMPLAINANT'S MOTION FOR LIMITED ENLARGEMENT OF TIME
AND REQUEST TO DEEM CADRS PRELIMINARY CONFERENCE TIMELY**

Complainant Southern International Co., Ltd. ("SIC"), by and through its undersigned representative, respectfully moves for a limited enlargement of time, or alternatively for an order deeming the CADRS preliminary conference timely, and states as follows:

1. On March 16, 2026, the Presiding Officer entered the Order on Respondent's Motion to Dismiss Second Amended Complaint, denying Respondent's motion and directing the parties to comply with the schedule requirements previously set forth in the Initial Order.
2. Respondent filed and served its Verified Answer, Affirmative Defenses, and Counterclaim on March 27, 2026.
3. The Initial Order provides that, within fifteen days of the service of a respondent's answer, the parties must submit a Joint Status Report with a proposed schedule and must participate in a preliminary conference with the Commission's Office of Consumer Affairs and Dispute Resolution Services ("CADRS").
4. SIC acted promptly to comply with those requirements by contacting CADRS and coordinating with Respondent regarding the mandatory preliminary conference.
5. CADRS has scheduled the preliminary conference for April 14, 2026, at 8:00 p.m. Vietnam time, to be conducted remotely, with participation by SIC and Respondent.
6. SIC is contemporaneously filing the Joint Status Report on April 14, 2026, in order to comply with the deadline for submission of that report.
7. To the extent the Presiding Officer concludes that the CADRS conference scheduled for April 14, 2026 falls outside the period contemplated by the Initial Order, SIC respectfully requests a limited enlargement of time through April 14, 2026 for completion of the CADRS preliminary conference, or, in the alternative, an order deeming the April 14, 2026 CADRS preliminary conference timely.

8. Good cause exists for this limited relief. SIC acted promptly to initiate the CADRS process, the conference has been scheduled by CADRS with Respondent's agreement to participate, the requested enlargement is minimal, and no party will be prejudiced by allowing the conference to proceed on April 14, 2026.
9. The relief requested is narrow. SIC does not seek to alter the date for filing the Joint Status Report, the operative answer date, the 150-day discovery period, or any other substantive or case-management deadline, except to the limited extent necessary to recognize the April 14, 2026 CADRS preliminary conference as timely or otherwise permitted.
10. Granting this motion will promote efficient case administration, avoid unnecessary motion practice concerning a minimal scheduling issue, and allow the parties to proceed in good faith with both the Court's case-management requirements and the Commission's ADR procedures.

WHEREFORE, Complainant Southern International Co., Ltd. respectfully requests that the Presiding Officer enter an order:

- A. enlarging the deadline for the CADRS preliminary conference through April 14, 2026; or, alternatively,
- B. deeming the CADRS preliminary conference scheduled for April 14, 2026 timely and in compliance with the Initial Order; and
- C. granting such other and further relief as the Presiding Officer deems just and proper.

Dated: April 14, 2026

Respectfully submitted,

SOUTHERN INTERNATIONAL CO., LTD.
