DOCKET NO. 25-24

Southern International Co., LTD

Complainant,

v.

Daynamez Group of Companies LLC

Respondent.

Motion to Allow Paper Discovery to be forwarded by
Respondent on April 27th, 2026.

Comes Now the Respondent, Daynamez Group of Companies LLC (hereinafter referred to as Daymanez and would ask that it be allowed to send out paper Discovery on April 27th and would state the following:

1. The undersigned agreed to April 22nd, 2026 as the first day to send out written discovery, not the last day of discovery.
2. The undersigned was on vacation from April 17th, 2026, until April 22nd, 2026, so it was not the intention of the undersigned to ignore a cutoff date.
3. Additionally, there was flooding in the undersigned's office, which the undersigned is inspecting today.

4. The undersigned just wants to make sure that the Respondent can still forward the discovery on April 27, 2026.
5. An attempt was made to communicate through emails as required under 46 C.F.R. § 502.71 with the Complainant. The time difference is significant between the parties. The Complainant was seeking another day up through today to forward its discovery to which the undersigned has no objection.
6. There is good cause under Federal Rule of Procedure 6 as the undersigned was out of town for the last 5 days and came back to an office that had a problem with a leaky roof. Furthermore, the Respondent assumed that was the first day of Discovery not the last.
7. I hereby certify that an attempt was made to confer and due to the time differential, a response has not been received to its request, but the Respondent has agreed to the Request of the Complainant to send out discovery today in an email.
