

BEFORE THE FEDERAL MARITIME COMMISSION

DOCKET NO. 26-02

NANCY PRIOR,

Complainant

v.

**AMOOV GROUP, FREIGHTLEAD L.L.C., AND AIR 7 SEAS TRANSPORT
LOGISTICS, INC.,**

Respondents

NOTICE OF FILING COMPLAINANT'S STATUS REPORT

Complainant Nancy Prior hereby gives notice of the filing of her individual Status Report and Proposed Discovery Schedule.

Complainant attempted to coordinate a Joint Status Report with Respondents. However, the draft provided by Respondent FreightLead's counsel contained significant clerical errors (incorrectly identifying parties) and included expert witness milestones that are not proportional to the \$21,419.64 at issue in this proceeding. Additionally, Respondents sought to include language conditioning the exchange of Initial Disclosures on future rulings, which Complainant believes contradicts the Initial Order.

To ensure the Court's **March 18, 2026**, deadline is met and the record is accurate, Complainant submits the attached report.

Dated: March 18, 2026

Respectfully submitted,

/s/ Nancy Prior
