

BEFORE THE
FEDERAL MARITIME COMMISSION

DOCKET NO. 26-02

NANCY PRIOR
COMPLAINANT,

v.

AMOOV GROUP, FREIGHTLEAD LLC, AIR 7 SEAS
TRANSPORT LOGISTICS, INC.

RESPONDENT.

RESPONDENT FREIGHTLEAD'S STATUS REPORT

Pursuant to 46 C.F.R. §502.141(h), and the presiding Chief Administrative Law Judge's Initial Order dated January 21, 2026 ("Initial Order"), Respondent Freightlead ("Respondent FL") provides this individual Status Report, and clarifications and comments to correct the record in the proceedings.

Respondent FL filed a Motion to Dismiss on March 3, 2026 ("MTD")¹. On March 5, 2026, Complainant is Opposition to Respondent FL's MTD, and Respondent FL filed a Reply to Complainant's Opposition on to the MTD on March 12, 2026. Respondent FL's MTD is currently pending before the Honorable ALJ presides over this proceeding.

Initial Disclosures. Complainant's incorrectly states in its Status Report that, "Respondent

¹ In its Status Report, Complainant states that "Respondent filed a Motion to Dismiss on February 17, 2026" This is incorrect, Respondent FL filed its MTD on March 3, 2026.

Freightlead has declined to provide disclosures at this time, asserting they are not due until after a ruling on its Motion to Dismiss.’ Complainant Status Report at 1. The day prior to Complainant’s filing its Status Report, Respondent FL, conferred in good faith with Complainant via email and requested that the following be included in the Joint Status Report: “Respondent Freightlead will provide its Initial Disclosures, 7 days after it files its Answer to the Complaint, if ordered to do so if its Motion to Dismiss is denied.” Complainant did not receive a reply to Respondent FL’s request and instead Complainant stated the similar language requested by FL’s counsel, “Complainant proposes that all outstanding Initial Disclosures be exchanged within 7 days of the Judge's ruling on any pending motions” Respondent FL is not clear why this very same statement could not have been included in a Joint Status Report, as originally intended.

CADRS. Complainant correctly stated that it “had contacted CADRS to request mediation, and that all parties have indicated their willingness to participate in CADRS’ mediation.” Respondent FL requested the following additional language: “Respondent Freightlead, however, has noted its pending Motion to Dismiss, that it does not waive any rights, defenses, affirmative or otherwise by filing this Status Report and willingness to engage in CADRS’ mediation.” Complainant again rejected this language as part of a Joint Status Report.

Propose Discovery Schedule. Subject to its MTD, Respondent proposes the following discovery schedule:

Event	Deadline
Service of Written Discovery Requests	Written Discovery Request Cutoff 4-30-26
Complete Written Discovery	9-30-26
Complete Fact Depositions	6-/30/26
Disclosure-Initial Expert Reports	7/15/26
Disclosure-Rebuttal Expert Reports	7/30/26
Complete Expert Depositions	8/28/26
Completion of All Discovery	9/30/26

Complainant's brief, proposed findings of fact, and appendix.	10/30/26
Respondent's Opposition Brief, Response to Proposed Findings of Fact, Proposed Findings of Fact, and Appendix Due	11/15/26
Complainant's Reply Brief and Response to Respondent's Proposed Findings of Fact due	11/30/26

Respondent FL is committed to an expeditious discovery process, and a meaningful CADRS' settlement-mediation session with all parties, subject to its MTD.
