GATOR FABRICATION TECHNOLOGY, LLC,
Complainant,

v.

FLADOR GLOBAL ULUSLARARASI TAŞIMACILIK
LOJ. DIŞ TİC. LTD. ŞTİ.,

Respondent.

**RESPONDENT FLADOR'S MOTION FOR CONFIDENTIAL TREATMENT
OF ITS VERIFIED ANSWER TO COMPLAINT AND SUPPORTING EXHIBITS**

Respondent Flador Global Uluslararası Taşımacılık Loj. Dış Tic. Ltd. Şti. ("Flador"), by and through its undersigned authorized representative, respectfully moves pursuant to 46 C.F.R. § 502.5 and the Presiding Officer's Initial Order for confidential treatment of limited portions of its Verified Answer to Complaint and certain supporting exhibits submitted therewith.

As required by the Commission's rules and the Initial Order, Respondent is submitting a Confidential Version and a corresponding Public Version of the filing.

Respondent seeks confidential treatment only for limited portions of its Verified Answer to Complaint and supporting exhibits that contain non public commercial and financial information, including invoice amounts, customs payments, warehouse and transfer charges, banking details where applicable, and related business communications concerning payment and cargo release. Public disclosure of this information would reveal commercially sensitive details regarding Respondent's pricing, charges, and financial dealings with counterparties, and would likely result in competitive harm and substantial prejudice to Respondent's legitimate business interests. Accordingly, good cause exists for confidential treatment.

This request is narrowly tailored. Respondent seeks protection only for those figures, terms, identifiers, and limited passages that contain confidential commercial information.

The confidential material has been identified in the Confidential Version, and the corresponding material has been redacted from the Public Version.

To the extent any exhibit cannot feasibly be redacted line by line in the body of the document, Respondent has identified the relevant bates ranges, descriptions, scope of requested treatment, and grounds for confidentiality in the accompanying Confidential Request Table.

To the extent that any personally identifiable information, birth dates, or financial account numbers appear in the exhibits, such material has been redacted pursuant to 46 C.F.R. § 502.13.

WHEREFORE, Respondent respectfully requests that the Commission and Presiding Officer grant confidential treatment to the limited portions of Respondent's Verified Answer to Complaint and supporting exhibits identified in this Motion and in the accompanying Confidential Request Table.

Respectfully submitted,
