DOCKET NO. 26-03

Served: March 27, 2026

ORDER OF: Jamie L. MENDELSON, *Administrative Law Judge*.

ORDER FOR RESPONDENT NTG AIR & OCEAN, LLC, TO SHOW CAUSE

Gator Fabrication Technology, LLC (“Complainant”) filed a Complaint with the Federal Maritime Commission (“Commission”), naming Flador Global Logistics (“Flador”) and NTG Air & Ocean, LLC (“NTG”) as Respondents. The Office of the Secretary issued a Notice of Filing Complaint on February 12, 2026.

The Commission’s rules provide that:

A respondent must file with the Commission an answer to the complaint . . . within 25 days after the date of service of the complaint by the Commission . . . or unless a motion is filed to withdraw or dismiss a complaint, in which latter case, answer must be filed within 10 days after service of an order denying such motion.

46 C.F.R. § 502.62(b).

A party to a proceeding may be deemed to be in default if that party fails: “to answer, to respond to a dispositive motion within the time provided, or otherwise to defend the proceeding.” 46 C.F.R. § 502.65(a)(2).

Because the Complaint was served by the Office of the Secretary on February 12, 2026, the Answer was due on March 9, 2026. Neither Respondent responded to the Complaint on or before March 9, 2026. On March 11, 2026, the Office of Administrative Law Judges sent an email to Respondents providing notice that no response to the Complaint was received by the deadline. On March 13, 2026, Respondent Flador submitted an Answer to the Complaint. However, no response was received from Respondent NTG.

Respondent NTG appears to be in default, although there may be a valid reason why Respondent NTG has failed to respond. Therefore, Respondent NTG will be granted an additional two weeks to respond to the Complaint and show cause why a decision on default should not be entered. If Respondent NTG fails to respond to this Order by April 9, 2026, a default decision may be entered against Respondent NTG, including an award of reparations to Complainant, plus additional penalties.

Therefore, it is:

HEREBY ORDERED that no later than April 10, 2026, Respondent NTG must respond to the Complaint and show cause why a decision on default should not be entered.

SO ORDERED
