

FEDERAL MARITIME COMMISSION

AENEAS EXPORTING LLC,

Claimant,

v.

**HONEYBEE INTERNATIONAL INC., and
ALL AMERICA SHIPPING,**

Respondent.

Docket No. 22-11

COMPLAINANT'S MOTION TO SUBPOENA A NON-PARTY

COMPLAINANT had been waiting until September 6th, 2022, to receive the documents from RESPONDENT. However, RESPONDENT took a month to answer COMPLAINANT. (Exhibit A, *page 2* shows the date when COMPLAINANT sent 5 requests and *page 7* when RESPONDENT's answers). While COMPLAINANT sent the documents in 2 days. RESPONDENT's attorney does not want to communicate over the phone. Mr. Markovich rejected that (Exhibit A, *page 8*). I want to explain to him the requests.

Unfortunately, RESPONDENT did not provide the essential documents:

1. Filling of the tariff rates
2. The original seaway bill rated and unrated.
3. The quotation Q2110LGB00082
4. HAPAG LLOYD monthly statement.
5. Invoice for BKG 60756906

RESPONDENT denied in his response that he had a quotation. (*See* Exhibit B). But he forgot that in his emails with HAPAG LLOYD the quotation number is there (Exhibit C). He does not want to show the quotation because it will show the true.

RESPONDENT only provided the unrated seaway bill. He did not provide the original seaway bill rated and unrated (Exhibit D, pages 13 to 33). I sent him a copy for one of my shipments and explained to Mr. Markovich how the seaway bill looks like (Exhibit E).

RESPONDENT only provided invoices for BKGS63421091 \$2,682.00 and 63090239 - \$2,682.00. He did not provide the invoice of BKG 60756906 to allow me to compare whether the rate has been changed.

RESPONDENT did not provide the monthly statement from HAPAG LLOYD which will show whether the charges are generated together or individually.

From the document that RESPONDENT provided, COMPLAINANT found that RESPONDENT made the charges for PORT CHARGE DESTINATION: COLLECT (Exhibit D, page 23). While all the shipments to Libya are prepaid even for charges regarding congestion. So, HAPAG LLOYD, after the arrival of the shipments, invoiced RESPONDENT and he pretended that those charges are new and has no knowledge that congestion fees will be applied. RESPONDENT only delayed the DESTINATION fees to pretend that they are new and charge COMPLAINANT more. Otherwise, RESPONDENT will hold the cargo and the detention will start. All the industry knows that shipment to Libya is always prepaid. The only way for COMPLAINANT to get those files is by requesting them from HAPAG LLOYD SALES DEPARTMENT. I have waited for a month to get the files from RESPONDENT, but he did not cooperate.

I tried to get the documents from HAPAG LLOYD, however as any other individual, they rejected my request (Exhibit F).

Therefore, COMPLAINANT respectfully moves the court for an order to compel HAPAG LLOYD SALES DEPARTMENT to produce 4 documents.

HAPAG LLOYD Sales DEPARTMENT has 3 managers:

1. Ana St-Hilaire Email: ana.st-hilaire@hlag , LBSALES@hlag.com
2. Geoff Wilson Email: Geoffrey.Wilson@hlag.com
3. John Melendez Email: John.Melendez@hlag.com

COMPLAINANT would request the following:

1. The original seaway bill rated and unrated for BKGS 63421091, 63090239 and 60756906
2. The quotation Q2110LGB00082 for HONEYBEE INTERNATIONAL INC. from October 2021 to December 2021
3. HAPAG LLOYD monthly statement to Honeybee from October 2021 to March 2022
4. Invoice for BKG 60756906, 63421091, 63090239.

Also, the following interrogatories:

Interrogatory 1:

1. For shipment to Libya, the shipper is the only party who is responsible to pay all the charges related to the shipment due to the conflict in Libya. Is that true or not?

Interrogatory 2:

2. Have you ever invoiced the congestion destination fees to the consignees in Libya?

Mr Houssein:

You have emailed several requests for discovery to me. They all appear to be similar in nature. In one case, you have stated that it was to supersede a previous request. Would you please tell me which discovery requests are the ones that Honeybee should respond to? Thank you.

RESPONSE TO REQUEST FOR PRODUCTION NO. 3:

Respondent has not alleged that the vehicles could not be shipped because of a shortage of containers with Hapag Lloyd. Paragraph 16 of the answer states that the vehicles could not be shipped to Libya was because of Hapag-Lloyd's decision not to do so. See attached Hapag Lloyd email dated Jan 3, 2022, Bates no. RESPONDENTS

**RESPONDENTS' RESPONSE TO
CLAIMANT'S FIRST REQUEST TO PRODUCE DOCUMENTS**

Respondents Honeybee International Forwarding, dba Honeybee International, Inc., (“Honeybee”) and All California Auto Part Inc., erroneously sued herein as All America Shipping (“All America”) who has specially appeared in this case, (collectively, “Responding parties”), hereby respond to Claimant Aeneas Exporting LLC’ (“Claimant” and/or “Propounding party”) First Set of Interrogatories, pursuant to 46 C.F.R. §§ 502.201.109, as follows:

PRELIMINARY STATEMENT

These responses are based upon diligent investigation by Responding parties and their counsel. However, these responses reflect only the current state of Responding parties’

understanding and belief respecting matters upon which inquiry has been made. Discovery in this case has not been completed, nor have Responding parties completed their preparation for trial. There may exist further information relevant to the subject matter of Propounding party's demands for inspection which is not now within the knowledge of Responding parties and, therefore, is not provided below. There may also exist persons with knowledge relating to the subject matter of Propounding party's demands for inspection of whom Responding parties are not aware, and, hence, are not identified below.

The following responses and objections are based upon the facts and information now known to Responding parties and may not in any way be deemed to be an admission or representation that further facts, information, or witnesses who have knowledge relevant to the subject matter of these demands for inspection do not exist. As discovery and trial preparation in this action proceeds, Responding parties anticipate that further facts, information, and witnesses may be discovered by them or may be determined to be relevant. Without in any way obligating himself to do so, Responding parties reserve the right to alter, supplement, amend, or otherwise modify these responses in any way at any time, including at trial, in light of facts determined to be relevant by responding party through discovery and further investigation.

GENERAL OBJECTIONS

In addition to those objections which may be specifically set forth in response to a particular demand, Responding parties object to Propounding party's demand for inspection on the following grounds:

1. Responding parties object to each demand to the extent it attempts or purports to impose obligations beyond those imposed or authorized by the Federal Rules of Civil Procedure.

2. Responding parties have interpreted each demand as not calling for privileged information. Responding parties object to each demand to the extent it attempts or purports to require disclosure of confidential communications between attorney and client, or the disclosure of documents or information subject to and protected by the prohibition against discovery of attorney work product. The inadvertent disclosure of any such information shall not constitute a waiver of any privilege or of any right which Responding parties may have thought it objects to the use of such information.

3. Responding parties object to each demand to the extent it seeks information beyond the scope of permissible discovery and seeks information which is neither relevant to the subject matter of this action nor reasonably calculated to lead to the discovery of admissible evidence.

These responses are made solely for the purposes of this action. Each response is subject to all objections as to competence, relevance, materiality, propriety, and admissibility, and any and all other objections and grounds, which would require the exclusion of any statement herein if the request were asked of, or any statements contained herein made by, a witness testifying in court, all of which objections and grounds are reserved and may be interposed at the time of trial. The fact that Responding parties have responded to any of the demands set forth below should not be taken as an admission that Responding parties accept or admit the existence of any facts set forth or assumed by such demand or that such response constitutes admissible evidence.

Subject to the foregoing objections and the specific objections set forth below, Responding parties respond as follows:

RESPONSE TO REQUEST TO PRODUCE DOCUMENTS

REQUEST FOR PRODUCTION NO. 1:

Respondents alleged that the rate of the booking increased in December.

Please provide me with Proof of the filing of tariff rates of the booking in dispute with the FMC, the quotation file, the invoices from Hapag and the complete seven pages for the SEAWAY BILL of 63421091 63090239. The emails of the statement of account with HAPAG LLOYD from NOVEMBER 2021 to MAY of 2022 were forwarded from Respondent. The wire of the payment of SEAWAY BILL of BKG63421091 and BKG63090239.

RESPONSE TO REQUEST FOR PRODUCTION NO. 1:

As Honeybee understands the allegations of Claimant's complaint, its dispute is that Responding party raised the rate for the first container of \$5250, to a rate of \$5600 for the second and third containers without filing that increase with the FMC. [¶10 of the Complaint.] Claimant's belief is incorrect. Responding party did not increase the \$5250 rate, but added a Hapag Lloyd shipment guarantee fee charge of \$400.00 per container, see invoices Bates nos. HB-00001 to HB-00005, of which it assessed Claimant \$350.00 of that fee. Responding party also assessed Claimant with a port congestion charge of \$260.00 per container that Hapag Lloyd charged Responding party prior to the cars arrival in Lybia, see Hapag Lloyd email transmission and invoices, Bates nos. HB-00005 to HB-00012. Also attached are the complete Seaway Bills for 63421091 and 63090239, Bates nos. HB-00013 to HB-24 and wire payments of the these bookings and the port congestion charges, Bates no. HB-00025 to HB-00026. Claimant's request for "the emails of the statement of account with HAPAG LLOYD from NOVEMBER 2021 to MAY of 2000 were forwarded from Respondent" is unintelligible and Respondent is

unable to respond to that Request.

REQUEST FOR PRODUCTION NO. 2:

Respondent alleged that the congestion invoice was billed to him later separately.

Please provide me with the emails of the invoices, the quotation file from Hapag Lloyd, and the two invoices.

RESPONSE TO REQUEST FOR PRODUCTION NO. 2:

See attached emails from Hapag Lloyd with attached invoices, Bates Nos. HB-00005 to HB-00012. There was no quotation file. The shipments were made per service contract.

REQUEST FOR PRODUCTION NO. 3:

Respondent alleged that he could not ship the vehicles because of a shortage of containers with Hapag Lloyd.

Please answer this question.

Would Respondent deny that they shipped to Libya for other clients such as WORLDWIDE AUTOS LLC with MSC from December 2021 to March 2022?

RESPONSE TO REQUEST FOR PRODUCTION NO. 3:

Respondent has not alleged that the vehicles could not be shipped because of a shortage of containers with Hapag Lloyd. Paragraph 16 of the answer states that the vehicles could not be shipped to Libya was because of Hapag-Lloyd's decision not to do so. See attached Hapag Lloyd email dated Jan 3, 2022, Bates no. HB-00027. Respondent denies it that it shipped to Libya for other clients with MSC from December 2021 to March 2022.

REQUEST FOR PRODUCTION NO. 4:

Respondent alleged All American is not a shipping company.

Please provide me with:

The full name of the Manager of All American Shipping, Fares, and his personal address, personal email, and his personal phone number.

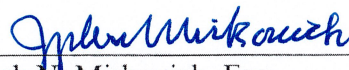

His email within the company is allcalifornia@allamericashipping.com and the company's phone number is (626) 500 3674.

RESPONSE TO REQUEST FOR PRODUCTION NO. 4:

The full name of the manager of All California Auto Part Inc., erroneously sued herein as All America Shipping is Faris Takleh. The remaining part of the request seeks information that is protected by Mr. Takleh's right to privacy. See Seaton v. Mayberg, 610 F3d 530, 539, fn. 47, (9th Cir. 2010); Johnson by Johnson v. \$20 CHARGE PER DAY FOR THE CARE, STORAGE AND SAFE KEEPING OF VEHICLES THAT ARE NOT LOADED 30 DAYS AFTER ARRIVAL.

IMPORTANT INFORMATION REGARDING U.S. CUSTOMS INSPECTION PROCEDURES

ANY AND ALL SHIPMENTS ARRIVING TO OR DEPARTING FROM THE USA ARE SUBJECT TO AND CAN BE INSPECTED BY THE U.S. CUSTOMS AND BORDER PROTECTION. U.S. CUSTOMS RANDOMLY PULLS CONTAINERS FOR INSPECTION AT THE PORT FOR SECURITY & SAFETY REASONS. THE INSPECTION CAN BE DONE EITHER AT THE TERMINAL BY X-RAY, OPEN VISUAL INSPECTION, OR BY TRANSFERRING THE CONTAINER TO A BONDED WAREHOUSE AND DOING A TOTAL DE-VANNING OF THE CONTAINER FOR INSPECTION OF CONTENTS.

ALL CHARGES INCURRED FROM THE OCEAN LINE AND/OR THE BONDED WAREHOUSE AS A RESULT OF THE U.S. CUSTOMS INSPECTION IS THE TOTAL RESPONSIBILITY OF THE SHIPPER. IF THESE CHARGES ARE NOT PAID WITHIN THE GIVEN TIME FRAME, THEN THE SHIPPER CAN INCUR ADDITIONAL STORAGE FEES AND PENALTIES, WITH THE POSSIBILITY OF THEIR CARGO BEING SEIZED.

HONEYBEE INTERNATIONAL IS NOT RESPONSIBLE FOR ANY OF THE CHARGES RESULTING FROM U.S. CUSTOMS EXAMS BECAUSE HONEYBEE IS ACTING ON BEHALF OF THE SHIPPER, AND THEY DO NOT HOLD TITLE OR OWNERSHIP OF THE SHIPMENT.

Hello,

I need the name of the manager to serve her or him directly A SUBPOENA to testify.

AENEAS EXPORTING LLC, v. HONEYBEE INTERNATIONAL INC., and ALL AMERICA SHIPPING
Respondent's attorney is cc on this email.

I am engaged in a lawsuit against a company that booked with you called HONEYBEE INTERNATIONAL INC.
I need the name of the manager to serve her or him directly to testify.

Respondent's attorney is cc on this email.

There are two matters:

1. destination Congestion: Are they determined and billed in advance or when the container reaches the destination?

As in the quotation the destination Congestion is mentioned in advance.

HONEYBEE INTERNATIONAL INC charged me for freight after the arrival of containers in Libya. HONEYBEE INTERNATIONAL INC alleged that there is a new charge accrued after arrival. While I know that those charges are presented on the face of the quotation from the beginning and the shipper is required to pay them from the beginning. I know that because I book with Hapag Lloyd and I pay the destination Congestion fees here and they are included from the beginning.

2. The quotation of the shipment:

As well-Known, the quotation of Hapag Lloyd is three months.
Is that correct or not?

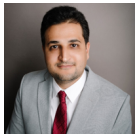

Hapag Lloyd has a quarter quotation. So The quotation for October to December would be the same.

Did Hapag Lloyd raise the rate to Libya between October to December 2021?
Example: if the rate to Liba was \$5000.00 in November, did you raise it to \$5200.00 in December?

Those will be the questions from my side.

Respondent's attorney will send his questions also once we have the subpoena served.

Thank you!
