ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER TO EXTEND TIME TO FILE RESPONSIVE PLEADING

On July 11, 2022, Complainant filed a request for a fourteen-day extension of time to file its opposition to Respondents' motion to dismiss the first amended verified complaint due to scheduling conflicts. Complainant states that Respondents' counsel consented to the requested extension if Respondents receive an additional seven-day extension for their reply.

This is the second extension requested while this proceeding is in its early stages. Although it will be permitted, future extension requests may be denied. The Commission set a deadline for this case to be resolved within one year and it is important for the parties to work expeditiously.

Good cause having been shown, it is hereby ordered that Complainant's motion seeking an extension of time to file its opposition be **GRANTED**. The deadline for Complainant's opposition is extended to July 29, 2022. Additionally, Respondents' request for an extension is also **GRANTED**, and their reply brief is deadline is extended to August 12, 2022.
