JOINT STATUS REPORT

Pursuant to Judge Crovella’s Orders dated November 7, 2022 and November 28, 2022 (the “Orders”), and with the consent of Respondents’ counsel, we submit the following Joint Status Report.

Since the Order was issued, the Parties have met and conferred regarding discovery, including timelines and the number of depositions required by each side, and substantive issues. The Parties have also exchanged initial disclosures pursuant to Commission Rule 502.141(b). Respondents have requested that Complainants amend the disclosures to identify additional documents which were relied on by Complainants when drafting the Amended Verified Complaint, if any, and to include additional information on the reparations sought within the AVC, to the extent Complainants can do so. Complainants will endeavor to share the amended disclosures with Respondents by December 15, 2022. The Parties have also contacted CADRS to attempt to schedule a preliminary conference.

The Parties intend to continue communicating to facilitate an orderly discovery process, and to identify areas where issues may be narrowed, or compromise may be reached. We propose to file the next joint status report on January 9, 2023, to provide time for the Parties to resume discussions after the holiday season, but note that the Parties may file additional motions, depending upon additional substantive discussions among the Parties, in the interim.

Respectfully submitted,

MAZZOLA MARDON, PC
