INTERNATIONAL EXPRESS TRUCKING, INC., *Complainant*

v.

ZIM INTEGRATED SHIPPING SERVICES LTD., *Respondent*.

DOCKET NO. 22-13

Served: May 11, 2022

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER GRANTING EXTENSION TO FILE ANSWER

On May 6, 2022, Respondent Zim Integrated Shipping Services Ltd. (“Zim”) filed a motion requesting extension of time from May 9, 2022, to May 20, 2022, to file its answer to International Express Trucking, Inc.’s complaint. Zim states that the parties have been engaged in settlement discussions and it is hoped that the additional time would help the parties “conclude a settlement and submit same for approval without having to file an answer and trigger the other procedural requirements that flow from the filing of that document.” Motion at 1. Zim asserts that the additional time sought should not adversely impact the proceeding even if the parties fail to reach a settlement, and that Complainant has no objection to the request. Motion at 1.

The extension of time sought by Respondent is only eleven days and according to Respondent, could help the parties achieve a settlement of their dispute. Good cause having been stated, it is hereby ordered that Respondent’s request for an extension of time to file its answer be **GRANTED**. The deadline for Respondent to respond to the complaint is extended to May 20, 2022. If the parties reach a settlement, they should submit a copy of the settlement with a motion seeking approval.
