

**BEFORE THE
FEDERAL MARITIME COMMISSION**

DOCKET NO. 26-08

EALYTEX GLOBAL INC.,

Complainant,

v.

COSCO SHIPPING LINES CO., LTD

Respondent.

**RESPONDENTS' MOTION FOR EXTENSION OF TIME TO ANSWER OR
OTHERWISE RESPOND TO THE COMPLAINT**

In accordance with 46 C.F.R. §§ 502.69, 502.102 and as otherwise provided by law, Respondent COSCO Shipping Lines Co., Ltd., (“Respondent” or “COSCO”), respectfully requests a seven-day extension to answer or otherwise respond to the Verified Complaint.

Complainant Ealytex Global Inc. (“Complainant”) filed this action on May 27, 2026. On June 3, 2026, the Notice of Filing of Complaint was served. The present deadline to answer or otherwise respond to the Verified Complaint is June 29, 2026, *i.e.*, 25 days after June 3, 2026—the date of the Served Notice of Filing of Complaint and Assignment.¹

COSCO retained the undersigned counsel on Friday, June 26, 2026, to represent their interests in this action. Immediately after being retained by COSCO on June 26, 2026, Respondent,

¹ Technically, the 25-day time frame ends on Sunday, June 28. Per CFR § 502.101, this deadline is extended to the next accessible day, which is Monday, June 29.

by and through its undersigned counsel and in accordance with 46 C.F.R. § 502.71(a), conferred with counsel for Complainant about the request for an extension to July 6, 2026. Counsel for Complainant agreed to the extension.

Per 46 C.F.R. § 502.102(a), “Motions for enlargement or reduction of time for the filing of any pleading or other document, or in connection with the procedures of subpart L of this part, may be granted upon a showing of good cause. Motions must set forth the reasons for the request and be received at least seven (7) days before the scheduled filing date. Motions filed less than seven (7) days before the scheduled filing date may be considered where reasonable grounds are found for the failure to meet this requirement.”

Good cause exists for a seven day extension because: (1) counsel for Respondent was retained in this action on June 26, 2026 — two business days before the deadline to answer or otherwise respond; (2) counsel for Respondent needs time to investigate and research the claims asserted in the Complaint; and (3) Respondent’s custodians of documents and people with the most knowledge of the events giving rise to this action are overseas and have limited availability to assist in the preparation of an answer or response to the Complaint.

Reasonable grounds exist for not filing this motion at least seven days before the deadline to answer or respond to the Verified Complaint because counsel for Respondent was retained only two business days prior to the deadline. Moreover, a seven-day extension will not adversely impact this proceeding, and this motion is not interposed for delay.

Accordingly, Respondents respectfully request a seven-day extension (up to and through **Monday, July 6, 2026**) to answer or otherwise respond to the Verified Complaint.
