v.

COSCO SHIPPING LINES CO., LTD., *Respondent*.

DOCKET NO. 26-08

Served: August 11, 2026

ORDER OF: Richard AMBROW, *Administrative Law Judge*.

ORDER DENYING JOINT MOTION TO STAY DISCOVERY WITHOUT PREJUDICE

On August 6, 2026, the parties filed a Joint Motion to Stay Discovery (“MTS”). In it, the parties represent that Respondent needs to implement internal procedures to waive the charges at issue, which may resolve this matter entirely. Accordingly, the parties ask for a stay of discovery for 30 days, to be followed by a joint status report.

The Complaint alleges that Respondent agreed to waive these charges on October 30, 2023. (Complaint, ¶ 22). Despite this agreement, Respondent sent numerous emails to the Commission since then explaining that there have been several internal processing delays. (Order Denying Motion for Partial Summary Judgment, at 3). In light of this history, I am disinclined to grant the MTS. If Respondent is serious about resolving this matter, it is unclear why it has not yet done so.

The MTS is **DENIED** without prejudice. I will grant a motion to stay if the parties can demonstrate that there is a real reason Respondent cannot process the remaining claims expeditiously, and assure me that this matter will not linger for many more months.
