Respondent.

DOCKET NO. 26-10
August 5, 2026

JOINT STATUS REPORT

PURSUANT TO 46 C.F.R. § 502.141(g)-(h)

Complainant Aman Kaushik, proceeding pro se, respectfully submits the following status report. Complainant conferred with Respondent by written correspondence at 7:30 a.m. EDT on August 4, 2026, proposing the schedule set forth below and requesting a response by end of day August 4, 2026. Respondent did not respond by that deadline.

I. DISCOVERY SCHEDULE -

The complainant proposes the following schedule for completion of discovery within the 150-day period following service of Respondent's Answer (July 22, 2026):

Milestone	Date
Written discovery served	September 8, 2026
Responses due	October 8, 2026
Follow-up / second-round discovery, if needed	October 22, 2026
Depositions completed	November 25, 2026
Discovery cutoff	December 15, 2026

Respondent's position: Complainant conferred with Respondent by written correspondence at 7:30 a.m. EDT on August 4, 2026, requesting a response by end of day that same date. Respondent did not respond by that deadline.

Complainant respectfully notes that the circumstances described in his Renewed Motion for Extension of Time — including, but not limited to, his pro se status and limited resources — remain relevant to the Court's consideration of the discovery schedule proposed herein, notwithstanding that the motion is now moot as to the relief originally requested.

II. CADRS STATUS -

Complainant contacted the Director of CADRS on July 30, 2026 to schedule the preliminary conference required by 46 C.F.R. § 502.64(a) and completed Complainant's preliminary CADRS conference on August 4, 2026.

Respondent's status: Respondent has scheduled its preliminary CADRS conference on August 7, 2026 at 2:00 p.m. EDT.

III. OTHER MATTERS -

A. Complainant's Initial Disclosures were timely served on Respondent on July 29, 2026, pursuant to 46 C.F.R. § 502.141(b).

B. Respondent's Initial Disclosures were due on the same date, July 29, 2026. Respondent did not serve its Initial Disclosures by that date, did not request an extension in advance of the deadline, and did not notify Complainant of any anticipated delay. Following Complainant's written inquiry on August 1, 2026, Respondent indicated by email that its Initial Disclosures would be served by

August 4, 2026. As of the filing of this report, Respondent has missed that self-selected date as well, and Complainant has still not received Respondent's Initial Disclosures.

C. Complainant notes that this delay in serving Respondent's Initial Disclosures occurred notwithstanding Respondent's opposition to Complainant's Renewed Motion for Extension of Time, filed July 28, 2026.

D. Complainant reserves the right to seek an order compelling compliance with 46 C.F.R. § 502.141, pursuant to § 502.150, should Respondent's Initial Disclosures remain outstanding.

E. In light of the completion of Complainant's CADRS preliminary conference (August 4, 2026) and the filing of this Joint Status Report, Complainant's Renewed Motion for Extension of Time (refiled July 28, 2026) — previously narrowed by Complainant's Notice of Partial Mootness filed July 30, 2026 — is now moot in its entirety. Complainant will file a separate notice of complete mootness accordingly.

Respectfully submitted,

/s/ Aman Kaushik
