

FEDERAL MARITIME COMMISSION

	)	
USL AUTO EXPORTING, INC., <i>Complainant</i>	)	
	)	
v.	)	DOCKET NO. 23-13
	)	
EASY SHIPPING CORPORATION, <i>Respondent</i>	)	
	)	

JOINT STATUS REPORT

Now come the Parties, having conferred, and provide this Joint Status Report pursuant to the Commission's order:

Pleadings

Complainant filed their Complaint and Respondent submitted a "Response" prior to retaining counsel. The Commission has indicated the Response filed by Respondent will be deemed as Respondent's Answer to the Complaint.

The Commission has issued an initial order which required the parties to file this Joint Status Report. However, during the period in time that the Commission issued the order and after Respondent filed their response, Respondent retained Rafati, Ward & Associates, P.C. as their representative. Complainant continues to be self-represented. The Complainant has filed a Motion for Summary Judgment and the Respondent has filed their Response to Complainant's Motion for Summary Judgment. Respondent is currently investigating and preparing for the filing of a Counter-Complaint due to fraudulent inducement. Originally, the Respondent did not know who USL Auto Exporting is, the historical relationship has always been portrayed by the Complainant as Khalid Arwini not USL but now they have learned that they are the same.

Discovery Schedule

The Parties propose the following discovery schedule:

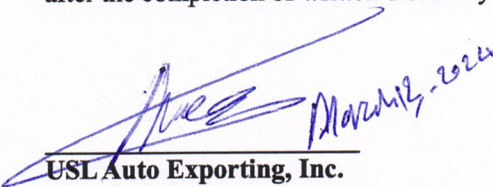

1. Counterclaims, Third Party Claims, Dispositive Motions or any amendments to pleadings shall be completed by April 2, 2024.
2. Written Discovery to be propounded by April 30, 2024.
3. Written Discovery to be responded to by May 31, 2024.
4. Motion related to or arising from written discovery shall be filed by June 28, 2024.
5. Dispositive Motions and trial setting shall be done by July 31, 2024.

Status of Settlement Discussions

The parties have not had any settlement discussions.

Future Status Report

The parties suggest an updated joint status report to be submitted to the Honorable Commission after the completion of written discovery.
