Docket No. 23-13

EASY SHIPPING CORPORATION

RESPONDENT.

COMPLAINANT'S MOTION TO AMEND THE PLEADINGS

Complainant, USL Auto Exporting Inc. (hereinafter "Complainant"), by and through its undersigned manager, hereby moves to amend its pleadings pursuant to 46 C.F.R. § 502.94 (Rules of Practice and Procedure of the Federal Maritime Commission) and in support thereof, states as follows:

DATED: March 19, 2024,

Respectfully submitted,

1. Introduction

Complainant seeks to amend the pleadings to accurately reflect the damages sustained as a result of the Respondent's, Easy Shipping Corporation (hereinafter "Respondent"), violation of the Shipping Act. This amendment is necessitated by the discovery of additional information that substantiates a revised calculation of damages.

2. FACTUAL BACKGROUND

Initially, Complainant filed for damages in the amount of \$52,710.00. However, further analysis and subsequent findings have necessitated an upward revision of this figure to reflect the actual damages incurred.

3. Reason for Amendment

As a direct result of Easy Shipping's violation of the Shipping Act, USL Auto Exporting suffered actual damages in an amount above \$67,898.00. To mitigate the demurrage costs, USL Auto Exporting intervened to pay CMA directly. Easy Shipping's violation of the Shipping Act gave rise to USL Auto Exporting losing the payment of the original basic freight, return basic freight fees, misdeclaration fees, inspection fees, and the value of the cargo and cost of hauling and loading. Easy Shipping's steadfast refusal to work on the shipment left USL Auto Exporting no choice but to pay such costs in advance.

These costs are "actual injury" under 46 U.S.C. § 41305(a). Breakdown of Damages:

- Original Freight (Invoice #NAOB0316822): \$2,865.00 (Paid by Claimant: \$3,300.00)
- Late Payment for Original Freight (Invoice #NAOB0337335): \$75.00
- Return Freight (Invoice #NAOB0367804): \$4,310.52
- Misdeclaration Fee (Invoice # NAOB0347101): \$2,000.00

- Return Inspection Fees (Invoice # NAIB1399975): \$2,306.00

Cost of Vehicles:

- 2005 Toyota Tundra (VIN: 5TBKT42115S468135): \$9,900.00
- 2011 Kia Sorento (VIN: 5XYKT4A17BG175020): \$4,500.00
- 2012 Yamaha FX SHO (VIN: YAMA3067B212): \$7,500.00
- 2006 Lexus GX 470 (VIN: JTJBT20XX60123772): \$7,500.00

Additional Costs Incurred by Complainant:

- Loading Costs: \$800.00
- Towing Charges for Four Vehicles: \$1,800.00
- Loss of Profit (Calculated as 40% of the shipment value): \$19,400.00

25 OF 28

Total Damages: \$67,898.00

These costs constitute "actual injury" under 46 U.S.C. § 41305(a), resulting from Respondent's failure to comply with the Shipping Act.

4. LEGAL BASIS FOR AMENDMENT

Under 46 C.F.R. § 502.94, amendments to pleadings are allowed at any stage of the proceedings upon reasonable notice and upon such terms as are just. The Complainant asserts that amending the pleadings to specify the actual damages is just and necessary for the accurate adjudication of this case, in compliance with the Shipping Act and the Commission's regulations. The requested amendment will enable the Commission to fully understand the extent of the damages and to provide a just resolution to this dispute.

5. PRAYER FOR RELIEF

Complainant respectfully requests that the Federal Maritime Commission grant this Motion to Amend the Pleadings to accurately reflect the total damages as [New Total Amount].

WHEREFORE, Complainant, USL AUTO EXPORTING INC., respectfully requests that this Honorable Commission grant its Motion to Amend the Pleadings.

Respectfully submitted,

DATED: March 19, 2024,

USL AUTO EXPORTING INC.
