NIELSEN & BAINBRIDGE, LLC, *Complainant*

v.

OCEAN NETWORK EXPRESS PTE. LTD., *Respondent*.

DOCKET NO. 25-30

Served: August 20, 2026

ORDER OF: Linda S. Harris CROVELLA, *Administrative Law Judge*.

THIRD AMENDED SCHEDULING ORDER

On August 4, 2026, the parties filed both their Fourth Joint Status Report and Second Joint Motion to Extend Deadlines. The parties seek an extension of 30 days of the remaining deadlines.

As good cause for another extension of the discovery and briefing deadlines, the parties recount Respondent's rolling production of documents with the bulk of it (34,448 documents, about 118,276 pages) culminating on July 28, 2026, the date set in the previous amended scheduling order for completion of production of documents and ESI, Complainant's need to review these documents prior to depositions, Complainant's former employees' availability for depositions, and deposition scheduling conflicts with the other NBG cases. These challenges warrant extending the schedule by the 30 days requested.

Good cause being found, it is **ORDERED** that the parties follow this schedule:

September 28, 2026	Complete depositions of fact witnesses
September 28, 2026	Last day to serve interrogatories, requests for admission, and requests for production of documents
October 9, 2026	Disclosure of initial expert reports, if any
October 19, 2026	Disclosure of rebuttal expert reports, if any
November 2, 2026	Complete expert depositions
November 2, 2026	Close of discovery
December 2, 2026	Complainant's Brief, proposed findings of fact, appendix due

January 4, 2026

Respondent's Opposition brief, proposed findings of fact, response to Complainant's proposed findings of fact, appendix due

January 15, 2026

Complaint's Reply Brief, response to Respondent's proposed findings of fact due
