RE: Special Permission Request for Turkon Container Transportation & Shipping, Inc., Org. No. 014782, SP-011973

Dear Ms. Merkel:

This is to advise that the application for special permission submitted on March 16, 2026, has been denied.

Under 46 U.S.C. § 40501(a)(1), each common carrier “shall keep open to public inspection in an automated tariff system, tariffs showing all its rates, charges, classifications, rules, and practices between all points or ports on its own route and on any through transportation route that has been established.” Additionally, under 46 U.S.C. § 40501(e)(1), “[a] new or initial rate or change in an existing rate that results in an increased cost to a shipper may not become effective earlier than 30 days after publication. However, for good cause, the Federal Maritime Commission may allow the rate to become effective sooner.”

The Commission has determined that Turkon Container Transportation & Shipping, Inc., Org. No. 014782, has failed to establish good cause and, therefore, the request to approve the application for special permission to depart from the statutory notice period requirements has been denied.

Sincerely,

David Eng
Secretary
