RE: **URGENT** – Request for Special Permission on behalf of
ZIM Integrated Shipping Services, Ltd., Org No. 019210

Dear Ms. Strauss:

Pursuant to 46 C.F.R. §520.14, ZIM Integrated Shipping Services, Ltd., Org. No. 019210 (“ZIM”) respectfully requests special permission to deviate from 46 C.F.R. §520.8(a) and to implement an increase in its existing War Risk Surcharge on less than thirty (30) days’ notice. The reasons for this request are set forth below.

As a global carrier, ZIM operates services between the U.S. and various locations around the world, including Israel and other countries in the Middle East. As the Commission is aware, armed hostilities have broken out in the Middle East. Iran has effectively closed the Strait of Hormuz to vessel traffic by threatening to attack any ship that attempts to pass through the Strait. See <https://www.aljazeera.com/news/2026/3/2/iran-says-will-attack-any-ship-trying-to-pass-through-strait-of-hormuz>. In addition, Iran has targeted Israel with drone and missile attacks.

These armed hostilities have disrupted normal operations and increased operating costs for ZIM, both with respect to vessel operations and the operation of ZIM’s headquarters in Haifa. These increased costs include higher war-risk insurance premiums and tighter P&I coverage terms; the need to delay, speed up, and/or re-route vessels and cargo; increased equipment positioning/repositioning costs resulting from changes in vessel schedules; and a loss of productivity as the result of employees having to take refuge in bomb shelters throughout the day and night, among others.

In an effort to recover some of these increased costs, ZIM has published an increase in its existing war risk surcharge of \$25.00 per 20-ft. container and \$50.00 per 40-ft. container in Rule

10.25 of its tariffs ZIMU-516 and ZIM-520 (copy attached). The increase is scheduled to take effect April 4, 2026, and will apply to cargo receive on or after that date. However, unless the effective date of the increase is advanced, ZIM will be unable to begin recovering the increased costs it is presently experiencing for almost a full month.

Accordingly, ZIM respectfully requests that it be granted special permission to advance the effective date of the increase to the earliest possible date.

The \$394 filing fee for this request has been paid electronically. The Pay.gov tracking ID is 2808HO1F and the Agency Tracking ID is 77318425311.

Thank you in advance for your favorable consideration of this request. Should you have any questions or require any further information, please do not hesitate to contact the undersigned.

Sincerely,

COZEN O'CONNOR
