INITIAL STATUS REPORT

Both parties timely contacted the Commission's Office of Consumer Affairs & Dispute Resolution Services. On November 19, 2019, a telephonic mediation was held by a mediator. The parties made significant progress towards reaching a settlement agreement. After an offer and a counter-offer, the mediation was left off with a final settlement offer from the Complainant that the respondent agreed to consider.

As far as Discovery is concerned, the Respondent has not provided answers to discovery or provided initial disclosures; nor has the Respondent issued discovery request at this time.

The Complainant contacted the Respondent via email to incorporate her feedback in this report, but the Respondent did not respond.

Respectfully submitted,

Muhammad J.Rana (Complainant)
