BEFORE: Honorable Erin M.WIRTH, *Administrative Law Judge.*

FINAL JOINT STATUS REPORT

The settlement discussions and mediation have ended as the parties reached an impasse and could not agree on a final settlement agreement. The discovery is not complete, as the Respondent refused to answer and produce requested documents raising the following two objections:

1. The Respondent maintains that the interrogatories and the requested documents are irrelevant.
2. The Respondent also maintains that the Complainant is requesting personal information and by disclosing the requested information the Respondent's safety would be jeopardized.

On the other hand, the Complainant maintains that the interrogatories and the requested documents go to the heart and core of this complaint in establishing violations of 46 U.S.C. § 41102(a) and 46 U.S.C § 41102(c). Furthermore, the Complainant maintains that he did not request any personal information and that all the information requested involves Respondent's company, "The Right Move, Inc," which goes towards "piercing the corporate veil."

Respectfully submitted,

Muhammad J.Rana (Complainant)
