Docket No. 19-03

Date: May 27, 2020

BEFORE : Honorable Erin M. Wirth , Administrative Law Judge .

**Respondent's request for extension in submitting
Appeal.**

I hereby request to grant me an extension of an additional week at least to be able to gather all the documents I need for supporting my case.

I am waiting for Maersk local office in Pakistan and my previous bank to provide supporting documents that will help me defend myself and due to the Corona and restricted offices working hours, I am facing delays in getting these documents.

Thank you ,
Michal (Michelle) Franklin
