

FEDERAL MARITIME COMMISSION
Office of Administrative Law Judges

WAY INTERGLOBAL NETWORK, LLC, *Complainant*

v.

SHENZHEN UNIFELIX SCM LIMITED, *Respondent*.

DOCKET NO. 22-28

Served: November 15, 2022

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

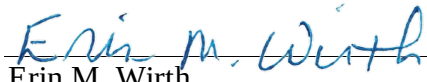

ORDER ON MOTION FOR EXTENSION OF TIME TO FILE ANSWER

Respondent filed a motion requesting an extension of time to respond to the complaint. In an email to the Office of the Secretary on November 14, 2022, Respondent attached a copy of the motion and stated that the motion was sent to the Commission by UPS on November 11, 2022. Complainant has not had time to respond to the motion.

The parties are reminded that email is the preferred method for sending filings to the Commission and that in addition to emailing the Office of the Secretary and the opposing party, the parties should copy judges@fmc.gov. The Initial Order and other filings in this proceeding may be found in the Commission's reading room: www2.fmc.gov/readingroom/proceeding/22-28.

Respondent requests an extension from November 15, 2022, to December 16, 2022, so that counsel can become more familiar with the proceeding. Commission proceedings are required to be resolved within one year and undue extensions at the beginning of a case can limit the time available to resolve the merits of the proceeding. Therefore, an extension will be permitted, however, for a shorter period and the joint status report deadline will be shortened.

Good cause having been shown, Respondent shall respond to the complaint by December 1, 2022. The joint status report required by the Initial Order shall be filed by December 14, 2022.
