Respondents.

DOCKET NO. 16-16

Served: March 29, 2021

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge.*

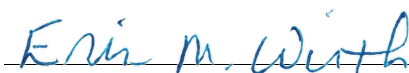

ORDER AMENDING SCHEDULE

In the remand scheduling order issued on December 10, 2020, Complainants were instructed to file their remand brief, proposed findings of fact, and appendix by January 27, 2021. On January 27, 2021, instead of filing their briefs, Complainants filed a motion for discovery related sanctions. On February 5, 2021, an order was issued denying the motion and extending the deadline for Complainants to file their remand brief to February 22, 2021. On February 22, 2021, an hour before the brief was due, Complainants requested a fifteen-day extension of all dates in the briefing schedule. On March 1, 2021, Complainants' extension request was granted and they were ordered to file their remand brief by March 9, 2021. Without explanation, Complainants' remand brief was not filed until March 17, 2021.

On March 19, 2021, Complainants filed a motion requesting acceptance of the late-filed remand brief, proposed findings of fact, and appendix due to an ongoing medical condition. Complainants requested additional time for the filing of the opposition and reply. Respondents did not file a response to the motion and the time to file a response has run.

Given the delays in Complainants' filing, Respondents will be provided additional time to file their opposition. It is hereby **ORDERED** that the parties shall file their opposition and reply filings by the following deadlines:

April 21, 2021	Respondents file opposition brief, proposed findings of fact and responses to Complainants' proposed findings of fact, and appendix.
May 5, 2021	Complainants file reply brief and responses to Respondents' proposed findings of fact.
